[1]Based on test results by Hohenstein Laboratories GmbH & Co. KG, there is strong antibacterial activity with the test strains Staphylococcus aureus ATCC 6538P and Escherichia coli ATCC 8739 under given test conditions for the test samples, calculated with the control material (glass slide). The reduction value in bacterial activity was more than 99% for each strain. Individual results may vary depending on individual use. Each test results are not proven results in actual usage environments.

Samsung Malaysia Electronics (SME) Sdn. Bhd. 200301026766 (629186-D)

Stay comfortably cool without feeling cold

Gently and quietly disperses air through 23,000 micro air holes, automatically optimized cooling without unpleasant direct wind.

COMFORT

WindFree™ Cooling
Cools effectively quitely without the unpleasant feeling of cold wind directly on your skin

Quiet Operation
Low-speed WindFree™ Cooling generates significantly less detectable sound than the normal cooling

Fast Cooling
Digital Inverter Boost technology shortens the time it take for compressor to reach maximum power

SMART CONTROL

SmartThings
Remotely control the air conditioner anytime and anywhere using an App on smartphone

Voice Control
Simply tell the artificial intelligence (AI) system on how to control and adjust the air conditioner

AI Auto Cooling
It automatically optomizes the various modes by analyzing the room conditions and usage patterns

HYGIENE

Auto Clean
Automatically dries the heat exchanger after use, preventing the build-up of bacteria and odors

Tri-care
Keep the air hygienic by capturing dust, viruses, bacteria and allergens

Freeze Wash
It freezes the heat exchanger and defrosts itself to clean out bacteria, dirt and dust

Check the reason to buy WindFree now!
