Galaxy Watch6 Classic

Classic style. Latest innovation.

Meet the stylish smartwatch that's packed with the latest innovation — Samsung Galaxy Watch6 Classic. With a sleek silhouette, a rotating bezel and our largest display yet,¹ it boasts the iconic look of a traditional watch. Take your style on the go and use your Watch to call, text, pay and check notifications anytime, anywhere.² Keep moving and motivated with wellness insights right on your wrist, and develop better sleep habits with Advanced Sleep Coaching.³

The style you want. The innovation you need. That's Galaxy Watch6 Classic.

Stay connected on the go

Your Watch syncs with your other Galaxy devices seamlessly. So, have the power to call, text, take pics and play music all from your wrist.²

Put your style on display

Show off your style with our largest display yet.¹ Stunning and tough, this eyecatching display is made from durable crystal glass.

A sleep coach on your wrist

Advanced Sleep Coaching³ helps you sleep better so you wake up ready to take on your day. Use your Watch to plan your bedtime, detect snoring⁴ and understand and track your sleep stages (awake, light, deep, REM).

The return of iconic style

Boost your style with a classic look — our latest smartwatch features a rotating bezel that you can turn to easily access your apps and more.

Always-on heart monitoring

Get ahead of your heart health. Your Watch continually scans your heart rate to inform you when it's detected an irregular rhythm.

Keep your goals on track

Work out to your full potential with fitness tracking³ on Galaxy Watch6 Classic. Get useful performance insights on duration, distance, calories burned and more.
