# How to activate my offer for OSN\*

---

After obtaining your code, you need to activate your subscription through the Partner's Application or Website

You can activate your OSN Streaming app subscription within the promotion period by following these steps:

1. Click the [Open App] button to open OSN Streaming App
2. Follow the instructions within the page to activate your subscription

For additional support in activating your OSN subscription, submit a request on <https://osn.to/help> or contact OSN customer service.

\*Offers may vary by model and by country, for the full list of eligible models and associated offers please check the [Terms and Conditions](#).
