

Digital Services Act - Information on Average Monthly Active Recipients in the EEA

Pursuant to Article 24(2) of the Digital Services Act (DSA), below are the numbers of average monthly active recipients of our relevant online platforms in the EEA during the applicable measurement period.

TV App Store: For the period between October 2022 and March 2023, TV App Store has had an average of 6 million monthly active recipients.

Galaxy Store: For the period between October 2022 and March 2023, Galaxy Store has had an average of 27 million monthly active recipients.

PENUP: For the period between October 2022 and March 2023, Galaxy Store has had an average of 1 million monthly active recipients.

Samsung will continue to monitor and publish updated information on the average monthly active recipients in accordance with the DSA.
