**To the Shareholders and the Board of Directors of Samsung Electronics Co., Ltd.**

### Reviewed Interim Consolidated Financial Statements

We have reviewed the accompanying interim consolidated financial statements of Samsung Electronics Co., Ltd. and its subsidiaries (collectively referred to as the "Company"). The interim consolidated financial statements consist of the consolidated statement of financial position as of March 31, 2022, and the related consolidated statements of profit or loss, comprehensive income, changes in equity and cash flows for the three-month periods ended March 31, 2022 and 2021, all expressed in Korean won, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Interim Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these interim consolidated financial statements in accordance with Korean International Financial Reporting Standards ("K-IFRS") No. 1034 *Interim Financial Reporting*, and for such internal control as management determines is necessary to enable the preparation of interim consolidated financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express a conclusion on the accompanying interim consolidated financial statements based on our reviews.

We conducted our reviews in accordance with the Review Standards for Quarterly and Semi-annual Financial Statements established by the Securities and Futures Commission of the Republic of Korea. A review of interim consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Korean Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Conclusion

Based on our reviews, nothing has come to our attention that causes us to believe that the accompanying interim consolidated financial statements referred to above are not presented fairly, in all material respects, in accordance with K-IFRS No.1034 *Interim Financial Reporting*.

## Other Matters

We have audited the consolidated statement of financial position of the Company as of December 31, 2021, and the related consolidated statements of profit or loss, comprehensive income, changes in equity and cash flows for the year then ended, in accordance with Korean Standards on Auditing. We expressed an unqualified opinion on those financial statements, not presented herein, in our audit report dated February 16, 2022. The consolidated statement of financial position as of December 31, 2021, presented herein for comparative purposes, is consistent, in all material respects, with the above audited consolidated statement of financial position as of December 31, 2021.
