4. GENERAL CONSIDERATIONS

4.1 – Customers are fully responsible, under the terms of the law, for the veracity and accuracy of the information provided in their participation, so that any attempt to impersonate their identity, profile, age, electronic or physical address, proof of purchase (Coupon /Invoice) and other necessary data, will be considered as a breach of the terms of this regulation, giving rise to the immediate cancellation of your participation, without prejudice to any other resource that Samsung has in accordance with the applicable legislation.

4.2 – Clients express their full compliance with the rules and regulations of the Benefit, which may be modified for reasons that the organizers consider pertinent.

4.3 – Customers expressly accept that Samsung will not be responsible for any external problem, in an unforeseen event or force majeure, that makes it impossible to provide the **Program**, such as, for example, events related to the internet environment, viruses, hackers, among others that occur separately or together. Samsung reserves the right, in the event that this Benefit cannot be offered for any reason, to postpone, modify or cancel it to ensure its validity.

4.4 – In the event of interruptions of any kind during the **Program** period, Samsung will not be obliged to extend the term of this **Program**.

4.5 – The use of subterfuges that create conditions of participation considered as irregular, unfair practices or that violate the rules of this Benefit is strictly prohibited, cases in which, if proven, there will be client exclusion and their entries will be discarded.

4.6 – Any point not addressed in these regulations will be resolved by an Evaluation Committee formed by Samsung and its agencies. Its decisions will be sovereign, irrevocable and unappealable and will consider the relevant legislation.

4.7 – Any questions and/or information about the Benefit can be obtained through the numbers offered in point 3.1.5 of this document or at <https://www.samsung.com/latin/support/select-plus>
