Please refer to the terms and conditions for full details. Samsung account login may be required to use certain Samsung AI features. Images are for illustration purposes only. Terms and conditions apply. Samsung Malaysia Electronics (SME) Sdn. Bhd. 200301026766 (629186-D)

Why Samsung SmartThings?

SmartThings lets you connect and control all of your smart devices in one app

TVs, washing machines, refrigerators, lights, security cameras and more!

"AI enables smart living by analyzing your routine"

Discover a whole new way to enjoy your home

Easy

Make your home life easier

Just power on your devices to connect and control them all effortlessly.

Save

Save time and energy

Waste less, lower emissions, and free up your time for what truly matters.

Care

Care for your loved ones

Watch over your parents, kids, and pets whenever, wherever you are.

Secure

Keep personal data secured

All your data is securely stored in a hardware-based security chip designed to block hackers.

Samsung has been the
Global No.1¹
 soundbar brand for 11 years straight

Experience the power of upgraded 2025 Samsung soundbars

Compact Subwoofer

Compact sized subwoofer but still powerful sound.

2024

Compact by 58%

2025

Convertible Fit

The speakers are designed to function as both front- and up-firing channels, automatically adjusting their output direction based on the soundbar's placement.

AI Sound

Q-Symphony²

TV & Soundbar orchestrated in harmony. Now delivering more detailed 3D surround sound via content analysis from TV's NPU processor.

New Subwoofer with Dynamic Bass Control³

Now with AI-based nonlinear control to minimize distortion and make bass sound like the original audio.

Adaptive Sound

Sound optimized for each scene

Get the optimal listening experience for each scene. Your soundbar recognizes the type of content you're watching and automatically adapts audio settings to produce clear voices and detailed sounds.

Q-Series Premium Soundbar

Enjoy the best sound for all types of content.

True 11.1.4ch Full Surround

¹You can select the door opening level using the SmartThings App. A Wi-Fi connection and a Samsung account are required. The 'Wide-open' option automatically opens the door by an angle of 80 degrees or more, but the door does not close automatically. The 'Semi-open' option reduces the force required to open the door, and automatically closes the door after a certain period of time if the door is left open. The actual angle that the doors open may vary due to the installation circumstances and usage conditions, like storing heavy items in the door bins. ²Viewing experience may vary according to types of content and format. Upscaling may not apply to PC connection and Game Mode. ³TV requires a separate power cable connection. Operating distance can vary depending on the surrounding environment. Wireless One Connect may not work well if there is an obstruction, such as a wall, hindering its connection to the TV within your home. Wireless One Connect box may not work properly if placed inside a closed metal cabinet. ⁴UL's verification validates the 'Glare Free' claim by assessing the products against Unified Glare Rating (UGR) testing standard set by the International Commission on Illumination (CIE) and testing standard set by the International Organization for Standardization. ⁵Redemption of free Touch 'n Go eWallet credit and Samsung Art Store access valid from 1 August - 15 October 2025 and may vary depending on purchase platforms, whether in-store or online. ⁶Mix & match with any Samsung products in different category with "Bunga Raya" bonus. ⁷Additional free Touch 'n Go eWallet credit is only applicable to specific participating models. Promotion is valid while stocks last and on first come first served basis. Images are for illustration purposes only. Both RRP and Promo RRP (if any) are subject to change without prior notice and not binding on dealers. ¹Based on testing by SLG Prüf- und Zertifizierungs GmbH, in accordance with the IEC 62885-4 CLS.8 standard, using a handheld type vacuum cleaner (with no brush) in Jet mode. The results were compared to cordless stick vacuum models available on the market with a stated suction power within 30% of the actual suction power of the Samsung model tested by SLG. Based on sales data between January 2024 and December 2024 as compiled by an independent market research institute. ²Based on testing by SLG Prüf- und Zertifizierungs GmbH, in accordance with the IEC 62885-4 CLS.8 standard. Measured at the inlet of the non-motorized tool when the dustbin is empty, using Jet Mode and a sufficient capacity battery that is fully charged. Results may vary depending on actual usage. ³The ability to identify different cleaning environments and the time it takes to change the settings can be affected by environmental conditions. ⁴10 year parts warranty applicable only to all digital inverter motor sold from January 2023. Labour costs excluded. See full terms online. ⁵The 2 years warranty is limited to battery only. Applies to all Bespoke Jet models sold from January 2023. Normal wear and tear over time excluded. See full terms online. ⁶Suction tested based on the IEC62885-2 CLS.8 standard, tested at the inlet of the non-accessorized tool, using Max mode. Based on SLG Prüf- und Zertifizierungs GmbH tests. ⁷Redemption of free Touch 'n Go eWallet credit and Samsung Art Store access valid from 1 August - 15 October 2025 and may vary depending on purchase platforms, whether in-store or online. ⁸Mix & match with any Samsung products in different category with "Bunga Raya" bonus. ⁹Additional free Touch 'n Go eWallet credit is only applicable to specific participating models. Promotion is valid while stocks last and on first come first served basis. Images are for illustration purposes only. ¹Tested by the Korea Conformity Laboratories on the AX5500 and AX32BG3100Gxxx for formaldehyde, ammonia, acetaldehyde, acetic acid and toluene gases. Tested by the Korea Conformity Laboratories. The electret filter media has over 99.97% dust collection efficiency, based on a particle size of 0.3µm. ²Tested on the zinc oxide dust collecting filter media for Staphylococcus aureus (ATCC 6538) and Klebsiella pneumoniae (ATCC 4352) and it reduced bacteria up to 99.9% in the FITI Testing & Research Institute of Korea. The filter media reduces Virus (H1N1) by up to 96.3%. Tested in the Yonsei University Office of Research Affairs and University - Industry Foundation. *Redemption of free Touch 'n Go eWallet credit and Samsung Art Store access valid from 1 August - 15 October 2025 and may vary depending on purchase platforms, whether in-store or online. **Mix & match with any Samsung products in different category with "Bunga Raya" bonus. ***Additional free Touch 'n Go eWallet credit is only applicable to specific participating models. Highly Scratch
Resistant

Easy Clean

(All Samsung Convection, Grill & Solo microwave models except MS20A3010AL)

*Based on test results by Hohenstein Laboratories GmbH & Co. KG, there is strong antibacterial activity with the test strains Staphylococcus aureus ATCC 6538P and Escherichia coli ATCC 8739 under given test conditions for the test samples, calculated with the control material (glass slide). The reduction value in bacterial activity was more than 99% for each strain. Individual results may vary depending on individual use. Each test results are not proven results in actual usage environments.
