Why Samsung SmartThings?

SmartThings lets you connect and control all of your smart devices in one app

TVs, washing machines, refrigerators, lights, security cameras and more!

"AI enables smart living by analyzing your routine"

Discover a whole new way to enjoy your home

Easy

Make your home life easier

Just power on your devices to connect and control them all effortlessly.

Save

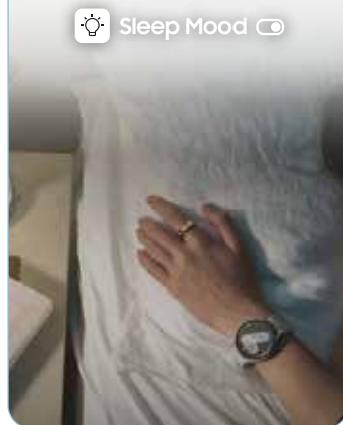

Save time and energy

Waste less, lower emissions, and free up your time for what truly matters.

Care

Care for your loved ones

Watch over your parents, kids, and pets whenever, wherever you are.

Secure

Keep personal data secured

All your data is securely stored in a hardware-based security chip designed to block hackers.

1. To use SmartThings, download the App from the Galaxy Store, Google Play Store, or Apple App Store. The SmartThings App requires Android OS 10+ with a minimum of 3GB RAM space or iOS 15+. Supported OS specifications and app screen configuration may change with app updates.
2. Image is simulated for illustrative purposes. The availability of technology, functions, features, and services may vary by country service provider, network environment or product and may change without notice SmartThings supported devices can be found at <https://partners.smarthings.com/supported-devices/>
3. SmartThings features and specifications may vary depending on the product and region/country.
4. Available on Android and iOS devices. A Wi-Fi connection and a Samsung account are required.
5. The test results are based on a comparison of the factory setting temperature when using AI Energy Mode and without using AI Energy Mode. Results may vary depending on the actual usage patterns and conditions.

Samsung has been the
Global No.1¹
 soundbar brand for 12 years straight

Experience the power of upgraded 2025 Samsung soundbars

Compact Subwoofer

Compact sized subwoofer but still powerful sound.

2024

Compact by 58%

2025

Convertible Fit

The speakers are designed to function as both front- and up-firing channels, automatically adjusting their output direction based on the soundbar's placement.

AI Sound

Q-Symphony²

TV & Soundbar orchestrated in harmony. Now delivering more detailed 3D surround sound via content analysis from TV's NPU processor.

New Subwoofer with Dynamic Bass Control³

Now with AI-based nonlinear control to minimize distortion and make bass sound like the original audio.

Adaptive Sound

Sound optimized for each scene, get the optimal listening experience. Your soundbar recognizes the type of content you're watching and automatically adapts audio settings to produce clear voices and detailed sounds.

¹Bixby is Samsung's brand of Internet of Things (IoT) voice assistant. Its service availability may vary depending on the country, language, and dialect. Appliances must be connected to the refrigerator via the SmartThings App and using the same Samsung account. **You can select the door opening level using the SmartThings App. A Wi-Fi connection and a Samsung account are required. The "Wide-open" option automatically opens the door by an angle of 90 degrees or more, but the door does not close automatically. The "Semi-open" option reduces the force required to open the door, and automatically closes the door after a certain period of time if the door is left open. The actual angle that the doors open may vary due to the installation circumstances and usage conditions, like storing heavy items in the door bins. ***Redemption of free Touch 'n Go eWallet credit valid from 1 April - 15 June 2026 and may vary depending on purchase platforms, whether in-store or online. **Mix & match with any Samsung products in different category with "Football" bonus. **RS90F65ANF / RS90F65DNF / RS80F65GNF / RS70F65KNF / RS80F65MNN / RS70F65QNF / RS70F65QNW. *You can select the door opening level using the SmartThings App. A Wi-Fi connection and a Samsung account are required. The 'Wide-open' option automatically opens the door by an angle of 80 degrees or more, but the door does not close automatically. The 'Semi-open' option reduces the force required to open the door, and automatically closes the door after a certain period of time if the door is left open. The actual angle that the doors open may vary due to the installation circumstances and usage conditions, like storing heavy items in the door bins. **Redemption of free Touch 'n Go eWallet credit valid from 1 April - 15 June 2026 and may vary depending on purchase platforms, whether in-store or online. ***Mix & match with any Samsung products in different category with "Football" bonus. **RS90F65ANF / RS90F65DNF / RS80F65GNF / RS70F65KNF / RS80F65MNV / RS70F65QNF / RS70F65QNW. ¹Based on testing by SLG Prüf- und Zertifizierungs GmbH, in accordance with the IEC 62885-4 CLS.8 standard, using a handheld type vacuum cleaner (with no brush) in Jet mode. The results were compared to cordless stick vacuum models available on the market with a stated suction power within 30% of the actual suction power of the Samsung model tested by SLG. Based on sales data between January 2024 and December 2024 as compiled by an independent market research institute. ²Based on testing by SLG Prüf- und Zertifizierungs GmbH, in accordance with the IEC 62885-4 CLS.8 standard. Measured at the inlet of the non-motorized tool when the dustbin is empty, using Jet Mode and a sufficient capacity battery that is fully charged. Results may vary depending on actual usage. ³The ability to identify different cleaning environments and the time it takes to change the settings can be affected by environmental conditions. ⁴The 2 years warranty is limited to battery only. Applies to all Bespoke Jet models sold from January 2023. Normal wear and tear over time excluded. See full terms online. ⁵10 year parts warranty applicable only to all digital inverter motor sold from January 2023. Labour costs excluded. See full terms online. ⁶Suction tested based on the IEC62885-2 CL 5.8 standard, tested at the inlet of the non-accessorized tool, using Max mode.
