

Digital Services Act - Information on Average Monthly Active Recipients in the EEA

Pursuant to Article 24(2) of the Digital Services Act (DSA), below are the numbers of average monthly active recipients of our relevant online platforms in the EEA during the applicable measurement period.

TV App Store: For the period between August 2022 and January 2023, the number of average monthly active recipients has been under 45 million.

Galaxy Store: For the period between August 2022 and January 2023, the number of average monthly active recipients has been under 45 million.

PENUP: For the period between August 2022 and January 2023, the number of average monthly active recipients has been under 45 million.

Samsung will continue to monitor and publish updated information on the average monthly active recipients in accordance with the DSA.
