Bespoke – Customised Fit

Make sure that your refrigerator fits perfectly into your kitchen. Its standard depth* will align with your cabinetry.

Bespoke - Customisable Design

Create a beautifully stylish and unique kitchen space with a customisable design. It is available in a choice of 3 materials: Satin Glass, Glam Glass and Cotta Metal. You can combine these with various door colours* to suit your taste.

Bespoke - Customisable Module/Combination

Need more storage space? You got it. Bespoke Refrigerators come in classic single door* fridge, freezer and even four-door** formats for the ultimate versatility in your kitchen. Simply integrate two or more compatible of our models and create the fridge / freezer of your dreams.

Digital Inverter Technology

The Digital Inverter Compressor automatically adjusts its speed in response to cooling demand, which in turn uses less energy, minimises noise and reduces wear and tear for a longer lasting performance. Backed-up by a 10 year warranty* on the compressor.
