- 3.5 Star Energy Rating
- 4 Mode Smart Conversion
- Bright LED Lighting
- Colour: White
- Capacity: 299L
- Dimensions:  
(W) 600 mm  
(H) 1635 mm  
(D) 672 mm

TWIN COOLING PLUS

4 MODE SMART  
CONVERSION

BRIGHT LED LIGHTING

DIGITAL INVERTER  
TECHNOLOGY

### Twin Cooling Plus

The Twin Cooling Plus™ technology featured in this fridge freezer creates a significantly better environment for preserving the freshness of food. By keeping humidity high, with up to 50% more humidity than conventional Top Mounted Samsung Freezers,\* it helps keep your ingredients fresher for longer, preventing them from drying out.

### Bright LED Lighting

High efficiency LED lighting is slimmer, cooler and more power-efficient than conventional lighting. Located on the top and sides, it beautifully and brilliantly illuminates every corner, ensuring better visibility.

### 4 Mode Smart Conversion

Bringing flexible storage to the market, the SR317WTC easily converts from freezer to fridge. It is designed to keep all your food fresh, in all seasons and for every special occasion.

### Digital Inverter Technology

The Digital Inverter Compressor automatically adjusts its speed in response to cooling demand, which in turn uses less energy, minimises noise and reduces wear and tear for a longer lasting performance. Backed-up by a 10 year warranty\*\* on the compressor.

\*The temperature of the compartments remains under 15°C using low electricity.

\*\* 10 year warranty is limited to the compressor only.
