

299L Top Mount Fridge

- 3.5 Star energy rating
- Twin Cooling Plus
- Colour: Silver
- Capacity: 299L
- Dimensions:
(W) 600 mm
(H) 1635 mm
(D) 672 mm

TWIN COOLING PLUS

4 MODE SMART CONVERSION

BRIGHT LED LIGHTING

DIGITAL INVERTER COMPRESSOR

Twin Cooling Plus

Twin Cooling Plus™ technology with separate cooling systems in the fridge and freezer maintains temperature control independently in both compartments. It is designed to maintain a humidity level of up to 70% all over the fridge and minimises the mixing of odours to help food stay fresher for longer*

LED Lighting

High efficiency LED lighting is slimmer, cooler and more power-efficient than conventional lighting. Located on the top and sides, it beautifully and brilliantly illuminates every corner, ensuring better visibility.

Smart Conversion

Bringing flexible storage to the market, the SR318 easily converts from freezer to fridge. It is designed to keep all your food fresh, in all seasons and for every special occasion.

Digital Inverter Compressor

The Digital Inverter Compressor automatically adjusts its speed in response to cooling demand, which in turn uses less energy, minimises noise and reduces wear and tear for a longer lasting performance. Backed-up by a 10 year warranty* on the compressor.

*10 year warranty is limited to the compressor only.
