

## 310L Bottom Mount Fridge

- 3 Star Energy Rating
- Optimal Fresh Zone
- Digital Inverter Compressor
- Colour: Black
- Dimensions:  
(W) 595 mm  
(H) 1700 mm  
(D) 663 mm

OPTIMAL FRESH ZONE

DIGITAL INVERTER  
COMPRESSOR

POWER DEODORISER

FLAT DOOR DESIGN

### Optimal Fresh Zone

The Optimal Fresh Zone allows you to adjust the temperature to store food for longer without freezing. With a range from  $-3^{\circ}\text{C}$  for meat to  $9^{\circ}\text{C}$  for fruit and vegetables, it suits any occasion.

### Power Deodoriser

The Power Deodoriser is an activated carbon filter which helps to clean the air inside the fridge to help minimise unwanted smells and odour transfer between foods.

### Digital Inverter Compressor

The Digital Inverter Compressor automatically adjusts its speed in response to cooling demand, which in turn uses less energy, minimises noise and reduces wear and tear for a longer lasting performance. Backed-up by a 10 year warranty\* on the compressor.

### Flat Door Design

The sleek design creates a clean and contemporary look that enhances your kitchen. The minimalist finish fits seamlessly into any living space.

\*Tested by Intertek with RB30N4180B1. Applies when set as MAX mode. Results may vary upon degree of freshness before storage, usage circumstances, etc.  
\*10 year warranty is limited to the compressor only.
