

8.5kg BubbleWash™ Smart Front Load Washer

- Auto Cycle Link
- Bubble Wash
- Bubble Soak
- Colour: White
- Dimensions:
(W) 600 mm
(H) 850 mm
(D) 550 mm

SMART CONTROL

BUBBLEWASH™ AND BUBBLESOAK™

HYGIENE STEAM

DIGITAL INVERTER TECHNOLOGY

Smart Control

Smart Control gives you the freedom to control and monitor your washing from anywhere using the Samsung Smart Things app.* Use the app to start or pause the machine, keep an eye on program selections, track your washing cycle and even setup automatic alerts to remind you when your washing is done.

Hygiene Steam

Give your clothes a really deep clean with steam. Powerful steam is released from the bottom of the drum, so every item in the load is thoroughly saturated. This helps remove engrained dirt and certain bacteria and inactive allergens.*

BubbleWash™ and BubbleSoak™

Bubble Wash turns detergent into bubbles, allowing it to quickly penetrate fabric and help remove dirt; all while protecting the fabric and delicate clothes.* Bubble Soak helps remove a variety of stubborn stains by thoroughly soaking your clothes in bubbles which helps loosen dirt and effectively remove stains.**

Digital Inverter Technology

Digital Inverter Technology gives you long-lasting, reliable performance, less noise, less vibration and less wear-and-tear.*** Best of all. The Digital Inverter even comes with a 10 year warranty.

*Download and installation of SmartThings app is required. Samsung Account required. Available on Android and iOS devices. For interoperability through SmartThings, all the devices should be registered with a single Samsung Account. Auto Cycle Link is only available when both the washer and dryer have AI Control and Wi-Fi connected. Apps and services are subject to change without notice. Data, subscription and other charges may apply. **Auto Cycle Link is only available when both the washer and dryer have AI Control and Wi-Fi connected. *Based on the Performance Lab Test report by Springboard Engineering on EMPA strips, comparing a normal detergent solution and bubble technology without mechanical action. vTested in accordance with IEC 60456-2010 / 4kg Wash Load / Super Eco Wash cold (WF80F5E5U4W) vs. Cotton 40°C without Eco Bubble (WF0702WKU). Individual results may vary. *Based on third party testing conducted on Staphylococcus aureus and E coli, January 2018. ***Generally, the level of reduction is 5dBA and 3dBA for washing and spinning cycle respectively. The data is based on ERP label, F500 8kg 1400rpm WF80F5E5P4W with a Digital Inverter Motor and Vistula 8kg 1400rpm WF1804WPC with a Universal Motor.
