

9.5kg AddWash™ Smart Front Load Washer

- Auto Cycle Link
- Add Wash
- Bubble Wash
- Colour: White
- Dimensions:
(W) 600 mm
(H) 850 mm
(D) 600 mm

SMART CONTROL

ADD WASH

HYGIENE STEAM

SUPER SPEED (39 MINS)

Smart Control

Smart Control gives you the freedom to control and monitor your washing from anywhere using the Samsung Smart Things app.* Use the app to start or pause the machine, keep an eye on program selections, track your washing cycle and even setup automatic alerts to remind you when your washing is done.

Hygiene Steam

Give your clothes a really deep clean with steam. Powerful steam is released from the bottom of the drum, so every item in the load is thoroughly saturated. This helps remove engrained dirt and certain bacteria and inactive allergens.*

Add Wash

AddWash™ gives you the flexibility to add a forgotten piece of clothing or more fabric softener, even after your wash cycle starts. This is made possible via the Add Door and allows you to keep the wash cycle going without having to drain the drum of water and detergent.*

Super Speed (39 mins)

Wash a 5kg load of laundry in under an hour* with Samsung Super Speed Cycle. Powerful speed spray jets activate during the rinse to help ensure full coverage and a deep rinse. Auto load sensors helps ensure each wash gets a great result.

*Download and installation of SmartThings app is required. Samsung Account required. Available on Android and iOS devices. For interoperability through SmartThings, all the devices should be registered with a single Samsung Account. Auto Cycle Link is only available when both the washer and dryer have AI Control and Wi-Fi connected. Apps and services are subject to change without notice. Data, subscription and other charges may apply. **Auto Cycle Link is only available when both the washer and dryer have AI Control and Wi-Fi connected. *Only fabric items, clothing, detergent and softener can be added. The AddWash door only opens when the drum temperature is below 50°C. *Based on third party testing conducted on Staphylococcus aureus and E coli, January 2018. *Tested on WW6800M compared with Samsung WW6500k. Saves 50% time on Cotton (40°C, half load) and eCotton (40°C) cycle with washing performance within ± 3% and up to 20% energy on Cotton (40°C, half load) cycle, based on Intertek test data.
