427L Bottom Mount Fridge

- 4 Star Energy
- Digital Inverter Technology
- All Around Cooling
- Colour: Silver
- Capacity: 427L
- Dimensions:
  (W) 700 mm
  (H) 1700 mm
  (D) 705 mm

ALL AROUND COOLING

DIGITAL INVERTER TECHNOLOGY

POWER FREEZE

REVERSIBLE DOOR

All Around Cooling

Cold air is blown through multiple vents on every shelf to create a multi-directional airfl ow, maintaining a constant temperature, to help keep food fresh. The cooling system also monitors and reacts to temperature fl uctuations caused by the opening of doors.

Digital Inverter Technology

The Digital Inverter Compressor automatically adjusts its speed in response to cooling demand, which in turn uses less energy, minimises noise and reduces wear and tear for a longer lasting performance. Backed-up by a 20 year warranty* on the compressor.

Power Freeze

Enjoy a rapid cooling performance. At the touch of a button, Power Freeze delivers a fast blast of cold air into the freezer so it's great for freezing or firming up frozen food and making ice.

Reversible Door

Choose and change the direction of the refrigerator door to suit the layout of your kitchen.

* 20 year warranty is limited to the compressor only.
