  (D) 675 mm

BUBBLEWASH™

DIGITAL INVERTER TECHNOLOGY

SOFT CLOSING DOOR

SMART CHECK

BubbleWash™

Wash powerfully and more efficiently. BubbleWash™ with Digital Inverter Technology gets clothes really clean using less energy and less water. BubbleStorm™ helps detergent penetrate fabric 2.5x faster and gives up to 20% better fabric care. Dual Storm™ creates a vortex of water current that cleans more effectively.*

Digital Inverter Technology

Enjoy efficiency and long-lasting performance with Digital Inverter Technology. It utilises strong magnets for a quiet and powerful performance with enhanced energy efficiency. It also provides exceptional durability, backed-up by a 20 year warranty on the motor.**

Soft Closing Door

Avoid being frightened by unexpected bangs! The Soft Closing Door shuts safely, gently and silently, as a damper automatically slows its movement. A tempered glass window also lets you view your washing without lifting the lid. Stronger and more durable than traditional non-tempered glass washing machines.

Smart Check

Reduce the cost and inconvenience of broken appliances. Smart Check is an automatic error-monitoring system that you can use anytime, anywhere with a smartphone App. It detects and diagnoses problems and provides quick and easy troubleshooting solutions, saving you time and money on repairs.***

*Based on internal testing of the WA5000C 11kg model with BubbleWash™ and Digital Inverter motor, using an IEC 3kg load (water level 4), compared to the WA5700J 11kg model without BubbleWash™ and an AC motor (water level 4). Results may vary depending on the actual usage conditions. Based on internal testing, using Artificially Soiled Fabric (EMPA 120), compared to a Samsung conventional washing machine, WA5000C 11kg model. Results may vary depending on the actual usage conditions. Based on severity of washing action index, compared to a Samsung conventional washing machine, WA5000C 11kg model. Results may vary depending on the actual usage conditions. **The 20 year warranty on the motor is a parts only warranty (labour and other costs are not covered) ***Available on Android and iOS devices. A Wi-Fi connection is required. Service callouts will occasionally be required and may incur extra repair costs.
