- Dual Cook Technology
- Air Sous Vide*
- Pyrolytic Cleaning
- Colour: Black Stainless steel
- Dimensions:
(W) 595 mm
(H) 596 mm
(D) 570 mm

DUAL COOK TECHNOLOGY

AIR SOUS VIDE*

PYROLYTIC CLEANING

SMARTTHINGS COOKING

Dual Cook Technology

Choose how you cook different meals to optimize results. Dual Cook's upper and lower zones work independently or together. So you can prepare a variety of dishes with different settings and achieve tasty results, or use the whole oven for large dishes.

Pyrolytic Cleaning

Keep the inside of your oven neat and clean without wasting time and effort scrubbing or using costly cleaning products. A Pyrolytic Cleaning* system heats the cavity to burn off any grease and residue left from cooking. Everywhere is left spotless with only a few ashes to wipe away.

Air Sous Vide*

Cook food more evenly without it overcooking or drying out. An Air Sous Vide* system accurately senses the temperatures in each cavity and maintains an even temperature for a long period. So everything is cooked thoroughly, wherever it is in the oven, and tastes deliciously tender and juicy.

SmartThings Cooking

Make your kitchen experience more joyful. SmartThings Cooking* saves time and minimises the burden of cooking. By understanding your needs it recommends personalised recipes** and creates a weekly meal plan.

*Requires a dedicated sous vide cooking bag, which is not included with the oven *Requires a wireless network, a Samsung account and the Samsung SmartThings App. The Samsung SmartThings App supports Android OS 8.0 (Oreo) or later, which is optimised for Samsung smartphones. This App also supports iOS 13 or later for iPhone models. The SmartThings App is available in the App Store and Play Store.
**Available in certain languages, including English, French, German, Italian and Spanish.
