

Paving the way as a Beacon of Modern Knowledge

C&E Adaptive Learning Solutions (C&E ALS) is the only comprehensive learning and research solutions provider in the country with a broad portfolio of innovative products and services that supports the demand of both academic and professional markets.

We offer smart, relevant, and complete learning solutions through our product brands:

C&E Publishing Inc.

Producing quality textbooks to help mold tomorrow's professionals and distributing premier publications and resources through C&E Bookshop, its chain of retail stores.

CE-Logic, Inc.

Engaging in state-of-the-art library automation and interactive media systems, as well as databases, e-books, and e-journals.

KITE Digital Educational Solutions (KDES)

Developing interactive lessons, digital publications, and web-based e-learning applications for schools and other institutions.

MakerCE

Transforming libraries and other learning commons into spaces for creation, collaboration, and innovation.
