SmartThings

Smarter living starts with

SmartThings

SmartThings brings your home together effortlessly — connecting what you love and simplifying how you live. It's the foundation of smart living.

1 Instantly see what's going on in your home

Assign your appliances to rooms via Map View for easy overall control — anytime, anywhere.

2 Future-proof your existing appliances

Smart Forward ensures that your Wi-Fi-connected appliances are protected and regularly updated.

The power of connection, enhanced by Bespoke AI

AI Home

The AI Home smart screen monitors your devices and tracks energy use to make life easier. From clean clothes to fresh food, your home works smarter, keeping everything running seamlessly.

Bixby

Talk to your home appliances directly or via your phone. Simply say, "Hi Bixby," and let your voice do the work — starting a wash, checking what's in the fridge, and more.

Knox Security

Feel safe every step of the way. With Samsung Knox, your data and smart connections stay private, protected, and worry-free.

Simply connect
and try it now at:

<https://www.samsung.com/sg/home-appliances/bespoke-ai-smarththings/>

Step
1

Open the app and tap (+)

Step
2

Tap "Add" button
or "Scan QR Code"

Step
3

If you selected 'Scan QR code' in the app,
simply scan the code on your appliance.

No matter the weather, your energy bills stay in check.

Oven

Culinary magic unfolds with every dish

SmartThings Pro Tip

Relaxing on the sofa after a long day?

Keep dinner under control without leaving your seat. With your Samsung oven connected to the SmartThings app, you can check the cooking progress, and adjust the settings from your phone. Perfect dinner, uninterrupted comfort.

Cook with upper and lower zones

Cook with the whole oven

Dual Cook

Double the flavour, double the fun! With Dual Cook, roast vegetables to perfection at 220°C while baking apple pies to golden glory at 165°C — two dishes, two settings, endless culinary creativity! You can even use the entire oven to roast a whole chicken.

Convection

Dual Cook

Add Steam

Dual Cook Steam™

Whether you're preparing a multi-course meal or perfecting a single dish, enhance your creations by adding steam for perfectly moist and flavourful results.

Air Fry

Indulgence does not have to be sinful! With hot air circulation, food is cooked with less oil and reduced fat, while staying crispy on the outside and juicy on the inside.

Air Sous Vide⁸

Perfectly cooked food, no fuss! Enjoy even cooking with a system that maintains consistent temperatures, ensuring your food is deliciously tender and moist throughout.

Elevate your love for cooking with our oven suite. Find the perfect oven for your kitchen and create dishes that bring joy and togetherness to every meal.

 SmartThings

Relax, SmartThings has dishwashing covered

Remotely monitor and control your dishwasher, track energy use and get smart tips for effortless clean-ups.

Just finished cooking? Connect your oven and dishwasher for the right wash cycle recommendations — so your dishes get the care they need while you sit back and relax.

Built for big meals, messy moments and zero sink drama.

WaterJet Clean™

Cleans thoroughly from every angle with dual rotating wash arms that help remove stubborn food residue with ease.

AutoRelease™

No guesswork, no waiting. As soon as the cycle wraps, the door pops open automatically*, releasing steam and cutting down excess moisture. The result? Faster, more effective drying.

Refrigerator

Elevating the standards of refrigeration

The smarter way to manage your home and food

Featuring AI-powered convenience, SmartThings connectivity and intelligent energy management, the Bespoke AI Side-by-Side Refrigerator Family Hub 9" is designed for homes that want the best of smart living.

9" LCD AI Home Screen¹⁷

Easily manage your smart devices, access apps and get personalised information all from an intuitive control centre on the door.

Auto Open Door¹⁸

When your hands are full, sensors on both sides let you open the door with a light tap.

AI Energy Mode

Reduce energy consumption by up to 10%². Automatically adjust your usage with AI Energy Mode in SmartThings Energy.

On-device Bixby⁷

Open the fridge doors with a simple voice command, or even ask Bixby to tell you the temperature inside!

SmartThings⁹

Plan meals, track expiry dates and discover recipes — enabling you to cook smarter and reduce food waste.

More room and freshness for life's everyday moments

Thoughtful innovations work behind the scenes to keep your food fresh and your kitchen running smoothly.

More room for what matters

Store more groceries, drinks and family favourites with SpaceMax™ technology, which maximises storage space without increasing the fridge's exterior size.

Freshness you can count on, year after year

Enjoy dependable cooling with a 10-year warranty on the Digital Inverter Compressor.

From compact apartments to growing families,
Samsung offers a refrigerator designed for every home.
