Smart benefits you'll love:

Cut up to 70%
energy usage with
AI Energy mode

Manage your
appliances any time,
anywhere

Simplify
daily routines,
live effortlessly

BONUS! Enjoy complimentary SmartThings setup

Smarter living starts with

SmartThings

SmartThings brings your home together effortlessly — connecting what you love and simplifying how you live. It's the foundation of smart living.

1 Instantly see what's going on in your home

Assign your appliances to rooms via Map View for easy overall control — anytime, anywhere.

2 Future-proof your existing appliances

Smart Forward ensures that your Wi-Fi-connected appliances are protected and regularly updated.

The power of connection, enhanced by Bespoke AI

AI Home

The AI Home smart screen monitors your devices and tracks energy use to make life easier. From clean clothes to fresh food, your home works smarter, keeping everything running seamlessly.

Bixby

Talk to your home appliances directly or via your phone. Simply say, "Hi Bixby," and let your voice do the work — starting a wash, checking what's in the fridge, and more.

Knox Security

Feel safe every step of the way. With Samsung Knox, your data and smart connections stay private, protected, and worry-free.

Simply connect and try it now at:

<https://www.samsung.com/sg/home-appliances/bespoke-ai-smarththings/>

Step 1

Open the app and tap (+)

Step 2

Tap "Add" button or "Scan QR Code"

Step 3

If you selected 'Scan QR code' in the app, simply scan the code on your appliance.

Let your home appliances do the saving for you!

Worry less about your energy bill

Activate AI Energy Mode¹ via the SmartThings App to track energy consumption and enjoy savings.

Reduce energy usage by up to:

70% 

Bespoke AI Washer
Washes effectively with cold water using EcoBubble™ technology⁴.

28% 

Bespoke AI WindFree™ Air Conditioner
Learns your usage patterns and analyses room conditions to adjust the room temperature and compressor frequency⁶.

15% 

Bespoke AirDresser
Intelligently reduces energy usage for certain cycles³.

20% 

Bespoke AI Dryer
Optimises the cycle time and the Inverter compressor speed⁵.

15% 

Bespoke AI Refrigerator
Optimises compressor speed and operation².

23% 

Bespoke Dishwasher
Monitor and intelligently uses less energy with the 'Pots & Pans' program⁷.

Build your own energy-saving AI home

Save up to \$2,080⁸
Big energy wins with AI Energy Mode¹
 That's how much you can save with our Bespoke AI Appliances in 5 years

Calculate your potential savings with our Energy Rate Calculator

Curious how much your smart home can save you? Just enter your energy cost (\$/kWh) and appliance details to see your savings. Try now: www.samsung.com/sg/home-appliances/sustainable-home/

Get the most out of every dollar you spend

Plus, get up to \$400 off* when you redeem your Climate Vouchers on our energy-efficient appliances.

*Values estimated on a five-year basis. AI energy-saving calculator only provides estimated values for guidance only. For accurate and precise estimates, we recommend consulting with your utility provider or a qualified energy professional. Actual energy bills may vary depending on various factors, including, but not limited to, product model, and usage condition and patterns. ⁸Subject to eligibility under the Climate-Friendly Households Programme by NEA and PUB. For a full list of participating retailers, visit www.go.gov.sg/cfhp

Oven

Culinary magic unfolds with every dish

SmartThings Pro Tip

Relaxing on the sofa after a long day? Keep dinner under control without leaving your seat. With your Samsung oven connected to the SmartThings app, you can check the cooking progress, and adjust the settings from your phone. Perfect dinner, uninterrupted comfort.

Cook with upper and lower zones

Cook with the whole oven

Dual Cook Steam™

Whether you're preparing a multi-course meal or perfecting a single dish, enhance your creations by adding steam for perfectly moist and flavourful results.

Air Fry

Indulgence does not have to be sinful! With hot air circulation, food is cooked with less oil and no excess fat, while staying crispy on the outside and juicy on the inside.

Air Sous Vide⁸

Perfectly cooked food, no fuss! Enjoy even cooking with a system that maintains consistent temperatures, ensuring your food is deliciously tender and moist throughout.

Dual Cook

Double the flavour, double the fun! With Dual Cook, roast vegetables to perfection at 220°C while baking apple pies to golden glory at 165°C — two dishes, two settings, endless culinary creativity! You can even use the entire oven to roast a whole chicken.

Elevate your love for cooking with our oven suite. Find the perfect oven for your kitchen and create dishes that bring joy and togetherness to every meal.

Relax, SmartThings has dishwashing covered

Remotely monitor and control your dishwasher, track energy use and get smart tips for effortless clean-ups.

Just finished cooking? Connect your oven and dishwasher for the right wash cycle recommendations — so your dishes get the care they need while you sit back and relax.

Ultimate performance and convenience

WaterJet Clean™

Ensures thorough removal of stubborn food residues from all angles with rotating dual rotating wash arms.

Auto Open Door

Speeds up the drying process by opening automatically at the end of a cycle to circulate air.

Microwave Oven

Cook smart and in style

Discover culinary finesse and style

Be delighted by our smart microwave oven, equipped with a myriad of features for your culinary adventures.

 SmartThings

Smart & Effortless

With SmartThings, your microwave becomes part of an intelligent kitchen ecosystem. Adjust settings remotely from your smartphone, receive cooking notifications and access personalised recipes for your culinary adventures.

All-in-one Oven

Cook and prepare different types of food. Oven cook, grill, steam, air fry, microwave and even ferment ingredients, like dough and yoghurt with this all in one appliance.

Healthier Fried Food

Blending modern elegance with practicality, enjoy healthier fried food with Air Fry. Effortlessly prepare crispy favourites, making it a versatile addition to any kitchen.
