Fun Facts

Celebrating smarter living at home

SmartThings

Beat the heat. Not your energy bills.

Hot weather often means more outfit changes and more laundry. AI Energy Mode helps reduce energy use by up to 70%*, helping keep your bills in check.

National Day feast, made easy.

Plan meals more intelligently with recipe recommendations tailored to your dietary preferences and the ingredients available in your refrigerator, then send them straight to your Samsung Bespoke Oven.

Home is where family comes first.

Your appliances care, too. From refrigerator activity insights to helpful reminders and alerts, Family Care on SmartThings helps you look after loved ones every day.

Images simulated. This Promotion is valid from 17 July to 17 August 2026. Selected products only. While stocks last. Not stackable with other discounts, offers or promotions. *Each customer who spends a minimum of S\$4,000 (including GST) in a single transaction will be entitled to one (1) Samsung Galaxy S26 (12GB + 256GB) smartphone. Colour subject to availability, while stocks last. Samsung reserves the right to amend or withdraw this Promotion and/or these Terms and Conditions without prior notice. *Moooments terms and conditions apply. *Valid for all Ticks Samsung Washing Machine models and for all 3 and 4-Ticks Samsung Refrigerator models. Subject to eligibility under the Climate-Friendly Households Programme by NEA and PUB. For a full list of participating retailers, visit www.go.gov.sg/cfhp. *Can be applied when the selected washing temperature is 20 ~ 40°C. Based on internal testing on the WW11BB944AGB model in normal usage conditions. Results: Power consumption without AI Energy Mode = 0.539 KWh. Power consumption with AI Energy Mode = 0.145 KWh. Results may vary depending on the actual usage conditions.
