Promotion Period: 11 Nov 2021 - 6 Jan 2022 • Redemption period: 25 Nov 2021 - 25 May 2022

**Terms and Conditions:** \*Promotion is only valid for customers who purchase selected Samsung products as specified during the promotion period from Samsung Online Store and authorised retailers, and is subject to stock availability. Promotion is not valid with other discounts or promotions. Free gift(s) may only be redeemed on Samsung's redemption site. Check in-store for more information. Redemption terms and conditions apply. No extension of redemption period will be allowed. Gift(s) are while stocks last. Payment must be made in full or hire purchase approved before redemption is allowed. Samsung reserves the right to replace any gift with an item of a similar or other value. Gift(s) are not exchangeable for cash or in-kind. Promotion is applicable to end-consumers only; not trade, corporate, or bulk purchase. Each customer can redeem gifts for a maximum of 3 product purchases. Samsung reserves the right to reject any redemption that is not submitted with the redemption documents or in accordance with these terms. Products purchased under promotion are not eligible for exchange and/or refund, save in accordance with warranty terms. Samsung reserves the right to amend these terms and conditions without prior notice.

<sup>1</sup>Warranty is limited to burn-in that occurs under conventional TV viewing conditions and does not cover burn-in that occurs in Neo QLED TVs that are used for business purposes. <sup>2</sup>The range of Quantum HDR luminance is based on internal testing standards and subject to change according to viewing conditions or specifications. <sup>3</sup>Viewing experience may vary according to types of content and format. 'AI Upscaling' may not apply to PC connection, and certain conditions of Game Mode. <sup>4</sup>100% Colour Volume measured in Movie Mode and the DCI-P3 colour space, certified by VDE. <sup>5</sup>Compatible with selected 2020 and 2021 TV and soundbar models. TV and soundbar sold separately. <sup>6</sup>Bixby service availability requires Samsung Account login and data connection. Available functions and features may vary by country, region, and language. <sup>7</sup>Requires installation of SmartThings app on compatible mobile device. Each device must be connected to Wi-Fi® or other wireless network. Subject to device compatibility. For interoperability through SmartThings, all the devices should be registered with a single Samsung Account. <sup>8</sup>Tap view is available on Samsung Galaxy Devices with Android OS 8.1 and higher. This service only works with the mobile when the screen is turned on. <sup>9</sup>Supports Android OS and iOS based smartphone. No same source at once except for TV app. The list of supported apps may vary by region. Android Mirroring/iOS Airplay/YouTube Casting are always displayed in the last screen. <sup>10</sup>Super UltraWide GameView is available for ultra wide supported games and PC games only. Some game titles may not support or be limited in this function. Screen resolution change from external device may be required. <sup>11</sup>Subject to device compatibility. Devices must be connected to Attachable One Slim Connect via HDMI cable. <sup>12</sup>Viewing experience may vary according to types of content and format. 'AI Upscaling' may not apply to PC connection, and certain conditions of Game Mode. <sup>13</sup>The peak brightness may vary depending on the model and size of the TV. The HDR10+ certification may vary by model and is only available for HDR10+ content. <sup>14</sup>Some art may require purchase or paid subscription with the Art Store. Art pieces in the Art Store are subject to change without prior notice. Internet connection and Wi-Fi® network required. Data and usage charges may apply. <sup>15</sup>Minimal gap measured from rear end of the TV, the gap may differ based on the installation and wall type. <sup>16</sup>Ambient Mode feature may vary depending on the environment where the TV, and includes but is not limited to, wall designs, patterns, and/or colours. <sup>17</sup>One Invisible Connection® refers to a single, translucent optical cable connected to the One Connect Box integrating external device cables, but it does not refer to cables connected to other devices such as soundbar. <sup>18</sup>Minimal gap measured from rear end of the TV, the gap may differ based on the installation and wall type. No Gap Wall-Mount sold separately. <sup>19</sup>When using NFC on TV, Bluetooth® on your compatible mobile device will automatically activate.
