\* Global No.1 Source - Omdia, January 2023. Results are not an endorsement of Samsung. Any reliance on these results is at the third-party's own risk.  
\* Energy-saving rate may vary according to regions, models, sizes, viewing conditions or types of content.  
\* Secured by Knox<sup>®</sup> applies to Samsung TVs powered by Tizen<sup>®</sup>, launched since 2015.  
\* To charge the remote with solar energy, set the TV remote down with the solar panel facing up. Place it in your living room while your lights are turned on, or you can place it near a window where it will absorb natural sunlight. If the SolarCell Remote's battery is drained, it would need to be charged with a USB-C cable. The battery level of the SolarCell Remote can be checked through the pop-up guide on the TV screen.  
\* Channels may vary by country and are subject to change without notifications on Samsung TV Plus. Supported Samsung devices may vary by country. Requires Samsung account. UI is subject to change without prior notice. Ads may appear on Samsung TV Plus. Available for free on Samsung Smart TVs since 2016.
