

SAMSUNG

Series 5 HW-N550 Soundbar

Elevate your TV sound

Experience the difference more powerful sound makes. A dedicated centre channel helps to ensure dialogue is clear, while an included wireless subwoofer delivers deep, powerful bass.

HW-N550 Features

Built-in Center Speaker

Hear dialogue in unbelievable clarity with a dedicated built-in centre speaker, helping to provide balanced sound from one end to the other.

Wireless Surround Sound Capable

Enhance your TV sound to cinematic DTS or Dolby Digital 5.1 surround sound with the optional Samsung Wireless Rear Speaker Kit.*

Wireless Subwoofer

Set the wireless subwoofer in your space and surround yourself with deep, rich bass.^

Bluetooth

Stream your favourite music from your compatible device wirelessly via Bluetooth and enjoy music from your mobile in fantastic audio quality.

Wireless TV Connection

Connect the Soundbar to your compatible Samsung TV with ease and without the clutter of wires via Bluetooth. Enjoy all your content with clear, impactful sound.

*Wireless Rear Speaker Kit requires line of sight and a power cable. Rear speakers are connected to a central module by cable.
^Subwoofer requires a connection to a mains power supply.
