Series 6 HW-Q60R Panoramic Soundbar

Audio innovation that makes your entertainment come alive.

Innovative acoustic technologies from Samsung's Audio Lab, coupled with testing by harman/kardon, provide a premium sound quality to help you get a cinematic, high quality audio experience in your home.

Top Features

Samsung Acoustic Beam Technology

Acoustic Beam technology projects sound all around the room so you get an amazingly engaging experience from a slim, easy to install soundbar.~

Adaptive Sound

Automatically adapts the volume and EQ to whatever you're watching to help you get an optimised sound experience.

Game Mode Pro

Physical up-firing speakers provide a more directional, immersive sound mode specifically for gaming so you get to level up your gaming experience.*

Built-in Centre Speaker

A dedicated centre speaker so you get crystal clear dialogue and speech.

~Sound effect may vary depending on environmental (including ceiling) characteristics.

*Compared to Samsung TV speakers. Sound effect may vary depending on environmental characteristics (including ceiling). This feature is supported only on selected 2019 Samsung TVs (RU8000 and above) and game consoles (PS4/Pro & Xbox One X/S) connected via HDMI. Compatibility subject to change.

Product	Product Category	Two-Body Soundbar
