WARRANTY FOR NOTEBOOK PC PRODUCTS (AUSTRALIA ONLY) (MOBILE COMPUTERS)

PART I
GENERAL TERMS AND CONDITIONS

The Australian Competition and Consumer Act (2010) (including the Australian Consumer Law) as well as other Australian laws guarantee certain conditions, warranties and undertakings, and give you other legal rights, in relation to the quality and fitness for purpose of Samsung consumer products sold in Australia.

In Australia, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. What constitutes a major failure is set out in the Australian Consumer Law.

Nothing in this Warranty purports to modify or exclude the conditions, warranties and undertakings, and other legal rights, under the Australian Competition and Consumer Act and other Australian laws. This Warranty gives you additional protection for your Samsung consumer product, and identifies a preferred approach to resolving warranty claims which will be quickest and simplest for all parties, subject to the exclusions, terms and conditions below.

I. Coverage and Application

(A) Samsung Electronics Australia Pty Ltd of 3 Murray Rose Avenue, Olympic Park NSW 2127 (“Samsung”) warrants that your Samsung consumer product:
   • is of acceptable quality;
   • does not have a latent defect.

(B) For the purpose of this Warranty, a “Samsung product” is a product which:
   • was manufactured by or on behalf of Samsung; and
   • bears a trade mark owned or used by Samsung (generally “SAMSUNG”); and
   • was sold by an Authorised Reseller or Distributor of Samsung; and
   • was purchased in Australia,
   but does not include any hardware or software which is packaged or sold with a Samsung product unless that item is incorporated into the Samsung product or, in the case of software, pre-loaded onto the Samsung product at the time of sale or that is itself a Samsung product.

II. Warranty Period

(A) The period during which this Warranty is in effect will depend upon the Samsung product to which it relates. In all cases the commencement date for the period is the actual day of purchase, as reflected on the Authorised Reseller’s or Distributor’s invoice / receipt provided to you. The period during which each Samsung product which is the subject of this Warranty is covered by this Warranty is identified in Part II of this Warranty.

III. Warranty Claim

(A) If you consider that the Samsung product which you have purchased is not of acceptable quality, has a latent defect, or is otherwise not compliant with the conditions, warranties, undertakings, and legal rights given to you under Australian Law (for example, it appears faulty, or does not work at all or properly), you can make a claim under this Warranty.

(B) Except where an International Product Warranty has been provided with your Samsung product, warranty service will only be provided in the specific country where the Samsung product was originally purchased. For example, if you have purchased the Samsung product within Australia, warranty service will be limited to Australia only.
(C) If you purchased this product in Australia and wish to make a claim under this Warranty, you should:

- contact 1300 362 603;
- visit the nearest Samsung Customer Service Plaza; or
- visit www.samsung.com/au.

**PRODUCT ONLINE REGISTRATION**

You can register your product online at www.samsung.com/au. While registration is not necessary to make a claim under this Warranty, it may assist Samsung to process any claim which you may make more quickly.

(D) When you make any claim under this Warranty it is essential that you provide a copy of your proof of purchase of the Samsung product, whether in person, by email or by fax. A claim under this Warranty is not formally made unless and until that proof of purchase is provided. This does not detract from your statutory rights.

(E) You will not be able to gain the benefit of this Warranty without making a claim.

(F) If, following receipt of a claim under this Warranty, Samsung or its agent determine that your claim in respect of a Samsung product is valid (having regard to the terms of Part II of this Warranty), and:

(a) if the goods can be repaired and the failure to comply with the warranty is not a major failure or a failure of substantial character, Samsung or its agent will either repair the Samsung product or, if authorised by Samsung, pay you for the cost of a repair of the Samsung product, or replace the Samsung product with the same or similar product or refund you the cost of a replacement, in each case depending upon what is reasonable in the circumstances and at no cost to you. Goods presented for repair may be replaced by refurbished goods of the same type with equal or higher functionality rather than being repaired. Refurbished parts may be used to repair the goods; or

(b) if the goods cannot be repaired or the failure to comply with the warranty is a major failure or a failure of substantial character, you may reject the goods or require Samsung to pay you compensation for any reduction in the value of the goods below the price paid or payable by you for the goods.

The standard Samsung warranty periods are set out by product in the tables in Part II of this Warranty, although each claim is assessed on its own merits. If Samsung provides you with either a replacement or refund, you immediately transfer ownership in the original Samsung part or product to Samsung. Any such resolution by Samsung of a claim under this Warranty by you does not otherwise detract from any other statutory rights which you might have in the circumstances, including your right to monetary compensation for a valid claim.

(G) If, following receipt of a claim under this Warranty, Samsung or its agent determine that your claim in respect of a Samsung product is invalid, Samsung may charge you for any labour, parts or transport costs incurred by Samsung or its agent in assessing your claim.

**IV. Warranty Transferability**

(A) This Warranty is transferable to a subsequent owner of a Samsung product, in the event of the sale of that product, provided that Samsung is informed in writing within a reasonable time of the sale of the subsequent owner’s name and contact details, such notice to be provided to Samsung at www.samsung.com/au.

The notice should identify the name of the previous owner of the Samsung product, place and date of purchase, model, make and serial number of the product. The effective transfer of this Warranty does not otherwise alter the terms of this Warranty in any way.

(B) In cases of authorised product replacement of the original purchased Samsung product, the replacement Samsung product will be subject to its own Samsung Products Warranty then in force at the time of the replacement (which may or may not be on the same terms as this Warranty).
V. Carry-In

(A) If you wish to make a claim in relation to a Samsung product which you can reasonably transport to the nearest Samsung Customer Service Plaza or to an authorised repair service centre (as directed when you first make the claim under this Warranty), please bring, or send, that Samsung product to that nearest Plaza or authorised service centre for assessment. Such Samsung products do not include those products dealt with in sub-paragraph (B). Samsung will organise the transport of a Samsung Consumer Product under this sub-paragraph, the cost of which will be borne by Samsung if your claim is determined to be valid pursuant to Part I of this Warranty. Whenever possible, the product should be returned in its original carton and packing or alternatively in packing suitable to prevent damage to the product. Samsung will not accept responsibility for damage to the product during this transport caused by unsuitable or inadequate packing.

(B) If the Samsung product is located in a place which is greater than 50 kilometres (by road) from the nearest Samsung Customer Service Plaza or authorised repair service outlet, Samsung will liaise with you to determine the best way in which to inspect and, if necessary, repair the product the subject of the claim under this Warranty.

(B) For the avoidance of any doubt, any and all warranties or conditions which are not guaranteed under the Australian Competition and Consumer Act or the Australian Competition and Consumer Regulations 2010 and which are not expressly included in this Warranty as additional warranties or conditions are excluded.

Though the product is considered to be compatible with many systems, it is your responsibility to determine compatibility and integration with other products or systems.

(D) This Warranty does not apply to non-Samsung hardware products or non-Samsung software products which are not incorporated into Samsung products or, in the case of software, pre-loaded onto the Samsung product at the time of sale, even if packaged or sold with Samsung hardware. Manufacturers, suppliers or publishers other than Samsung may provide their own warranties to you, but Samsung, to the extent permitted by law, provides such third-party products ‘as is’. If applicable, non-Samsung software distributed by Samsung and not pre-loaded on the product at the time of sale is not covered under this Warranty. Please refer to any licensing agreement accompanying the software for details or any purchaser rights with respect to its use.

- reception or display problems and distortion related to noise, echo, interference or other signal transmission and delivery problems; or
- use of products, equipment, systems, utilities, services, parts supplies accessories, applications, installations, repairs, external wiring or connectors not supplied or authorised by Samsung.

use of non authorised/non-standard, defective or incompatible parts;
password setting/resetting and computer virus;
repair, modification or other work carried out on the Samsung product other than by Authorised Samsung Service Personnel.

(H) This Warranty does not cover Samsung products purchased in an auction.
(I) If the Samsung product you are using has been rented or leased by you, and you consider a claim might be made under this Warranty, you should refer the matter to the rental or leasing company immediately and they will handle the matter.
(J) This Warranty does not cover service costs in replacing and maintaining consumable parts which have ceased working through normal wear and tear.
(K) This Warranty does not cover Samsung products which, at the time you consider a claim might be made under this Warranty, do not bear the original manufacturer’s factory-applied serial number in its original form (for instance where it or the sticker bearing it has been removed, wiped out, rubbed off, or altered).
(L) This Warranty does not cover the loss of any data howsoever caused. You shall be responsible for backing up and protecting data against loss, damage or destruction. Please note that the repair of goods may result in loss of data.
PART II

Warranty For Notebook PC Products (New Zealand Only) (Mobile Computers)

PART I
GENERAL TERMS AND CONDITIONS

The New Zealand Consumer Guarantees Act (1993) as well as other laws in the jurisdiction guarantee certain conditions, warranties and undertakings, and give you other legal rights, in relation to the quality and fitness for purpose of Samsung consumer products sold in New Zealand.

For products sold in New Zealand, these guarantees cannot be modified nor excluded by any contract, except in those circumstances contemplated by section 43(2) of the New Zealand Consumer Guarantees Act.

You are entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality. You are also entitled to a replacement or refund for a major failure of the goods and compensation for any other reasonably foreseeable loss or damage. What constitutes a major failure is an objective test of reasonableness and not necessarily an individual consumer’s point of view.

Nothing in this Warranty purports to modify or exclude the conditions, warranties and undertakings, and other legal rights, under the New Zealand Consumer Guarantees Act and other laws. This Warranty gives you additional protection for your Samsung consumer product, and identifies a preferred approach to resolving warranty claims which will be quickest and simplest for all parties, subject to the exclusions, terms and conditions below.

I. Coverage and Application

(A) Samsung Electronics New Zealand Limited of 24 The Warehouse Way, Northcote, Auckland 0627 (“Samsung”) warrants that your Samsung consumer product:
   • is of acceptable quality;
   • does not have a latent defect.

(B) For the purpose of this Warranty, a “Samsung consumer product” is a hardware product which:
   • was manufactured by or on behalf of Samsung; and
   • is used in a normal domestic environment, not a commercial environment; and
   • bears a trade mark owned or used by Samsung (generally “SAMSUNG”); and
   • was sold by an Authorised Reseller or Distributor of Samsung; and
   • was purchased in New Zealand,
   but does not include any hardware or software which is packaged or sold with a Samsung product unless that item is incorporated into the Samsung product or, in the case of software, pre-loaded onto the Samsung product at the time of sale or that is itself a Samsung product.

II. Warranty Period

(A) The period during which this Warranty is in effect will depend upon the Samsung product to which it relates. In all cases the commencement date for the period is the actual day of purchase, as reflected on the Authorised Reseller’s or Distributor’s invoice / receipt provided to you. The period during which each Samsung product which is the subject of this Warranty is covered by this Warranty is identified in Part II of this Warranty.
III. Warranty Claim

(A) If you consider that the Samsung consumer product which you have purchased is not of acceptable quality, has a latent defect, or is otherwise not compliant with the conditions, warranties, undertakings, and legal rights given to you under New Zealand Law (for example, it appears faulty, or does not work at all or properly), you can make a claim under this Warranty.

(B) Except where an International Product Warranty has been provided with your Samsung consumer product, warranty service will only be provided in the specific country where the Samsung consumer product was originally purchased. For example, if you have purchased the Samsung product within New Zealand, warranty service will be limited to New Zealand only.

A claim under this Warranty is not formally made unless and until that proof of purchase is provided. This does not detract from your statutory rights.

(E) You will not be able to gain the benefit of this Warranty without making a claim.

(F) If, following receipt of a claim under this Warranty, Samsung or its agent determine that your claim in respect of a Samsung product is valid (having regard to the terms of Part II of this Warranty), and:

- if the goods can be repaired and the failure to comply with the warranty is not a major failure or a failure of substantial character, Samsung or its agent will either repair the Samsung product or, if authorised by Samsung, pay you for the cost of a repair of the Samsung product, or replace the Samsung product with the same or similar product or refund you the cost of a replacement, in each case depending upon what is reasonable in the circumstances and at no cost to you. Goods presented for repair may be replaced by refurbished goods of the same type with equal or greater functionality rather than being repaired. Refurbished parts may be used to repair the goods; or

V. Carry-In

(A) If you wish to make a claim in relation to a Samsung product which you can reasonably transport to the nearest Samsung Customer Service Plaza or to an authorised repair service centre (as directed when you first make the claim under this Warranty), please bring, or send, that Samsung product to that nearest Plaza or authorised service centre for assessment. Such Samsung products do not include those products dealt with in sub-paragraph (B).
