FOR ALL SAMSUNG TV ACCESSORIES (AUSTRALIA ONLY):
THE CONTENT OF THIS WARRANTY FOR SAMSUNG PRODUCTS (AUSTRALIA ONLY) (LED, LCD, PLASMA TV, AND TV ACCESSORIES) OVERRIDES THE WARRANTY TERMS AND CONDITIONS CONTAINED IN THE RELEVANT USER MANUAL / QUICK START GUIDE OF EACH SAMSUNG TV ACCESSORY.

WARRANTY FOR SAMSUNG PRODUCTS (AUSTRALIA ONLY)
(LED, LCD, PLASMA TV, AND TV ACCESSORIES)

PART I GENERAL TERMS AND CONDITIONS

The Australian Competition and Consumer Act (2010) (including the Australian Consumer Law) as well as other Australian laws guarantee certain conditions, warranties and undertakings, and give you other legal rights, in relation to the quality and fitness for purpose of Samsung products sold in Australia.

In Australia, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. What constitutes a major failure is set out in the Australian Consumer Law.

Nothing in this Warranty purports to modify or exclude the conditions, warranties and undertakings, and other legal rights, under the Australian Competition and Consumer Act and other Australian laws. This Warranty gives you additional protection for your Samsung product, and identifies a preferred approach to resolving warranty claims which will be quickest and simplest for all parties, subject to the exclusions, terms and conditions below.

I. Coverage and Application

- A. Samsung Electronics Australia Pty Ltd of 3 Murray Rose Avenue, Homebush Bay NSW Australia 2127 ("Samsung") warrants that your Samsung product:
- is of acceptable quality;
 - does not have a latent defect.
- B. For the purpose of this Warranty, a "Samsung product" is a product which:
- was manufactured by or on behalf of Samsung; and
 - bears a trade mark owned or used by Samsung (generally "SAMSUNG"); and

- was sold by an Authorised Reseller or Distributor of Samsung; and
- was purchased in Australia, but does not include any hardware or software which is packaged or sold with a Samsung product unless that is itself a Samsung product or, that item is incorporated into the Samsung product or, in the case of software, pre-loaded onto the Samsung product at the time of sale.

II. Warranty Period

A. The period during which this Warranty is in effect will depend upon the Samsung product and part to which it relates. In all cases the commencement date for the period is the actual day of purchase, as reflected on the Authorised Reseller's or Distributor's invoice / receipt provided to you. The period during which each Samsung product or part which is the subject of this Warranty is covered by this Warranty is identified in Part II of this Warranty.

III. Warranty Claim

- A. If you consider that the Samsung product which you have purchased is not of acceptable quality, has a latent defect, or is otherwise not compliant with the conditions, warranties, undertakings, and legal rights given to you under Australian Law (for example, it appears faulty, or does not work at all or properly), you can make a claim under this Warranty.
- B. Except where an International Product Warranty has been provided with your Samsung product, warranty service will only be provided in the specific country where the Samsung product was originally purchased. For example, if you have purchased the Samsung product within Australia, warranty service will be limited to Australia only.
- C. If you purchased this product in Australia and wish to make a claim under this Warranty, you should:
contact 1300 362 603;
visit the nearest Samsung Customer Service Plaza; or
visit www.samsung.com.au.

PRODUCT ONLINE REGISTRATION

You can register your product online at www.samsung.com.au. While registration is not necessary to make a claim under this Warranty, it may assist Samsung to process any claim which you may make more quickly.

D. When you make any claim under this Warranty it is essential that you provide a copy of your proof of purchase of the

Samsung product, whether in person, by email or by fax. A claim under this Warranty is not formally made unless and until that proof of purchase is provided. This does not detract from your statutory rights.

- E. You will not be able to gain the benefit of this Warranty without making a claim. A claim must be made within the Warranty Period. However, you may have statutory rights which cover defects that were not notified to Samsung within the Warranty Period.
- F. If, following receipt of a claim under this Warranty, Samsung or its agent determine that your claim in respect of a Samsung product is valid (having regard to the terms of Part II of this Warranty), and:

- (a) if the goods can be repaired and the failure to comply with the warranty is not a major failure or a failure of substantial character, Samsung or its agent will either repair the Samsung product or, if authorised by Samsung, pay you for the cost of a repair of the Samsung product, or replace the Samsung product with the same or similar product or refund you the cost of a replacement, in each case depending upon what is reasonable in the circumstances and with regard to Samsung's statutory obligations and at no cost to you. Goods presented for repair may be replaced by refurbished goods of the same type with equal or greater functionality rather than being repaired. Refurbished parts may be used to repair the goods; or
- (b) if the goods cannot be repaired or the failure to comply with the warranty is a major failure or a failure of substantial character, you may reject the goods or require Samsung to pay you compensation for any reduction in the value of the goods below the price paid or payable by you for the goods.

The standard Samsung warranty periods are set out by product and part type in the tables in Part II of this Warranty, although each claim is assessed on its own merits and you may have statutory rights outside the Warranty Period. If Samsung provides you with either a replacement or refund, you immediately transfer ownership in the original Samsung product or part to Samsung. If Samsung repairs the goods, you immediately transfer ownership in any residual parts to Samsung. Any such resolution by Samsung of a claim under this Warranty by you does not otherwise detract from any other statutory rights which you might have in the circumstances, including your right to monetary compensation for a valid claim.

- G. If, following receipt of a claim under this Warranty, Samsung or its agent determine that your claim in respect of a Samsung product is invalid, Samsung may charge you for any labour, parts or transport costs incurred by Samsung or its agent in assessing your claim.

IV. Warranty Transferability

- A. This Warranty is transferable to a subsequent owner of a Samsung product, in the event of the sale of that product, provided that Samsung is informed in writing within a reasonable time of the sale of the subsequent owner's name and contact details, such notice to be provided to Samsung at: www.samsung.com/au

The notice should identify the name of the previous owner of the Samsung product, place and date of purchase, model, make and serial number of the product. The effective transfer of this Warranty does not otherwise alter the terms of this Warranty in any way.

- B. In cases of authorised product or part replacement of the original purchased Samsung product, the replacement Samsung product will be subject to the remainder of the original Warranty Period. You may have statutory rights in respect of a replacement product or part outside this period.

V. Carry-In and On-Site Repairs

- A. If you wish to make a claim in relation to a Samsung product which you can reasonably transport to the nearest Samsung Customer Service Plaza or to an authorised repair service centre (as directed when you first make the claim under this Warranty), please bring, or send, that Samsung product to that nearest Plaza or authorised service centre for assessment. Such Samsung products do not include those products dealt with in sub-paragraph (B). Samsung will organise the transport of a Samsung product under this sub-paragraph, the cost of which will be borne by Samsung if your claim is determined to be valid pursuant to Part I of this Warranty. Whenever possible, the product should be returned in its original carton and packing or alternatively in packing suitable to prevent damage to the product. Samsung will not accept responsibility for damage to the product during this transport caused by unsuitable or inadequate packing.
- B. If you make a claim under this Warranty in relation to a Samsung product of the type referred to in sub-paragraph (C), Samsung or its agent will send Authorised Samsung Service Personnel to the place where that Samsung product

is located to assess the warranty claim and, if necessary repair, the product on-site, at Samsung's cost.

- C. On-site service is available for both colour televisions and display monitors with a screen size of 41 inches or more. Samsung requests that you make arrangements for all other products (i.e. products with a screen size of 41 inches or less) to be returned to your nearest Samsung Customer Service Plaza or authorised repair service outlet where service is required.

If however you believe that you are unable to bring or send any Samsung product to a Samsung Customer Service Plaza or an authorised repair service centre owing to the size, features or any other characteristic of the product, Samsung will liaise with you to determine the best way in which to inspect and, if necessary, repair the product the subject of the claim under this Warranty.

If your Samsung product is located in a place which is greater than 50 kilometres (by road) from the nearest Samsung Customer Service Plaza or authorised repair service outlet, Samsung will liaise with you to determine the best way in which to inspect and, if necessary, repair the product the subject of the claim under this Warranty.

- D. With any on-site visit, while Samsung will make all efforts to fix the Samsung product on-site, there may be instances when the product must be taken back to a Samsung Customer Service Plaza or to an authorised repair service centre for further testing. In these circumstances, you agree to let any designated Authorised Samsung Service Personnel pick up and take the product for further testing, at the cost of Samsung.
