1 Delicious, hassle-free curd at home

Step 1: Add lukewarm milk + curd starter/culture into the container.

Step 2: Press 'Curd' button on the display to select 'Soft' or 'Thick' option. Let it ferment.

Step 3: Serve when the 'Serve' icon lights up, or store it for up to 3 days.

2 Make life convertible

Make life convertible with 5 conversion modes that take care of all your refrigeration needs. Convert the freezer into a fridge and add up to 88 L of extra space. Or switch off the main fridge and use the freezer as a mini-fridge.

3 All the ice you need

The **Movable Ice Maker** sits in the freezer and can be removed to make more space when no ice is required.

4 Twice the freshness

Twin Cooling Plus™ maintains up to 70% humidity# compared to 30% in a conventional TMF, ensuring your food stays fresh longer.

Process of curd making is recommended by ICAR-National Dairy Research Institute, Karnal. #Result based on Samsung internal lab test conducted on model RT58K7140SL under ideal test conditions. Results may vary depending on environmental factors and individual use. All products, images, features shown are for representational purpose only, actual may vary.
