

SAMSUNG MVP PROGRAM

Mobile Valued Partner

Welcome to the
**Samsung Mobile
Valued Partner**

The pace of development in the mobile industry is now faster than ever, and competition is intensifying. To respond to these challenges, we believe the time has come to further strengthen the relationship between Samsung and its mobile business partners. That's why we've just launched an enhanced channel partner program, designed specifically with our mobile partners in mind.

We are delighted to begin on this journey with you – our valued partners. The Samsung Mobile Valued Partner (MVP) program is designed to build shared momentum, empower you with innovative technology and solutions, and help you create greater sales opportunities.

As the mobile industry's leading manufacturer, we promise to provide you with exceptional support at every step.

We believe our partners have the potential to become market leaders, and pledge to uphold our commitment to you.

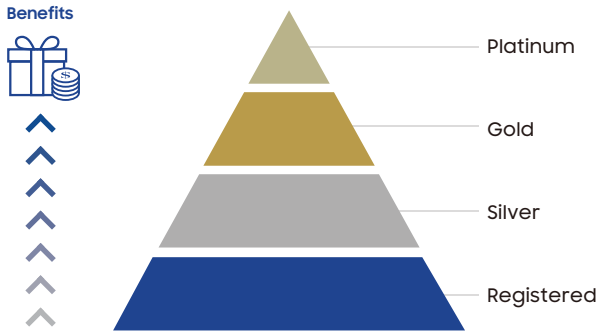

Let's usher in a new era of success together!

Sincerely,

Osama Al Ashqar

Head of B2B Department

Registration & Enrollment

Program Application Process

To become a MVP, you'll need to complete a few short and straight forward steps.

- Portal Registration
- User information
- Company information

Register via the Samsung Partner portal

- First, you'll need to visit the Samsung partner portal to create a profile.

Authorization Criteria

- Financial stability
- Sales strategy
- Resources
- Business commitment

Validation Process

Next, we'll check the profile you submit to verify your business stability and commitment. After evaluating, we'll notify you as to whether you are eligible to become a mobile valued partner.

Benefit Program

- Sales/ marketing support
- Technical support
- Online & In-class training

Business Collaboration

After you have become an authorized partner, you'll be able to benefit from the program right away – and start enhancing your business value.

Registration & Enrollment

In order to move up a level, you will need to score a minimum number of mandatory points in each category.

We provide a different set of rewards at each level, reflecting our partners' commitment.

Platinum	Gold	Silver
Requirements		
Minimum 25 Points Required points : <ul style="list-style-type: none"> - Biz. Performance : 12 - Skill : 10 <small>* At least 2 training certifications required</small>	Minimum 15 Points Required points : <ul style="list-style-type: none"> - Biz. Performance : 8 - Skill : 5 <small>* At least 3 training certifications required</small>	Authorized Partners: No points required

Benefits

- Platinum and Gold partner companies are eligible to receive financial incentives.
- Target bonuses, market development funds, promotional bonuses and special bid pricing may be provided.
- The budget for financial incentives is based on partners' performance.
- Training is provided to help you to move up to the next level.
- Marketing and sales materials are provided for sales support.

Registration & Enrollment

For our authorized partners and resellers, we run a level program that reflects our partners' business commitment and dedication. Partners can move up a level by adding more certified sales staff and increasing their revenue.

Partners who have attained a certain level of specialty in Samsung's mobile portfolio and sales practices.

Partners who have demonstrated successful delivery and have expanded Samsung's mobile sales coverage.

Partners with secure financial health and basic sales capabilities.

If you score enough points in each category, your company will be able to move up to the next level. Below are some examples of how you can score points in selected categories:

Points

Specialty/ Skill

- For each employee with more than 2,000 points on Samsung MBA
- For each employee with Samsung MBA (Online) training certification
- For each employee with In-Class (Onsite) training certification

Business

Performance

For each new client win

- Meet minimum required sales figure for mobile B2B devices
- Meet minimum required sales figure for strategic products
- Meet minimum required sales figure for Knox licenses

Client

Reference

- Published client references

Client

Satisfaction

- Achieve NPS* rating level 2

* NPS (Net Promoter Score): A client satisfaction survey provided online
