Steam
Cycle

Removes up to
99.9%
of certain bacteria and
inactive allergens*

A powerful **Hygiene Steam** cycle releases steam from the bottom of the drum. So every item in the load is thoroughly saturated.

Eco Drum Clean

Removes dirt and up to
99.9% of odor-causing
bacteria from the drum.**

It uses soaking, pulsating and high speed spinning, without harsh or costly detergent.

Keep your machine hygienically clean,
while being eco-friendly and saving money.

Up to
98%¹
Anti-allergy

Tri-Care Filter²

Keeps the air hygienic by capturing dust, certain viruses, bacteria and allergens

Keep the air hygienic and maintain the Heat Exchanger's performance with a Tri-Care Filter. Its 3-layers include a high-density filter that extracts large dust particles, fibers and animal hairs. A Zeolite Coating Filter also captures fine dust, and reduces certain viruses, bacteria and allergens

¹ Tested by Korea test lab for anti bacteria & virus, Japan test lab for anti allergy. Data has been measured under specific testing conditions for tested bacteria/virus/allergens and may vary depending on environmental factors and individual use. Applicable to Wind-Free models with Tri-Care filter only.

² For Wind-Free™ Premium Plus only.

¹Suction tested based on IEC62885-2 Cl. 5.8, at the inlet of the non-motorized tool, using the Max mode. Based on internal tests. Individual results may vary depending on individual use. Each test results are not proven results in actual usage environments. ²With purchase of any Jet series. ³Suction power tested on Samsung VR9300 in comparison with leading robot vacuum cleaners in the global market as of March 2016. Based on internal testing. Promotion is valid while stocks last and on first come first served basis. Images are for illustration purpose only. Both RRP and Promo RRP (if any) are subject to change without prior notice and not binding on dealers. Terms and conditions apply.

Ceramic Inside™

Smooth ceramic interior that is easy to clean and won't scratch or discolor over time. Up to 99.9% anti-bacterial¹ protection and scratch-resistant interior is made to last.

(All Samsung Convection, Grill & Solo microwave models except MS23F300EEK)

Clean and Scratch-free

Highly Scratch Resistant

Durable, scratch and rust resistant ceramic enamel coating interior.

Easy Clean

Its non-stick and allows grease and oil to be easily cleaned off.

¹Based on test results by Hohenstein Laboratories GmbH & Co. KG, there is strong antibacterial activity with the test strains Staphylococcus aureus ATCC 6538P and Escherichia coli ATCC 8739 under given test conditions for the test samples, calculated with the control material (glass slide). The reduction value in bacterial activity was more than 99% for each strain. Individual results may vary depending on individual use. Each test results are not proven results in actual usage environments.
