Ceramic Inside™

Smooth ceramic interior that is easy to clean and won't scratch or discolor over time. Up to 99.9% anti-bacterial¹ protection and scratch-resistant interior is made to last.

(All Samsung Convection, Grill & Solo microwave models except MS23F300EEK)

Clean and Scratch-free

Highly Scratch Resistant

Durable, scratch and rust resistant ceramic enamel coating interior.

Easy Clean

Its non-stick and allows grease and oil to be easily cleaned off.

¹Based on test results by Hohenstein Laboratories GmbH & Co. KG, there is strong antibacterial activity with the test strains Staphylococcus aureus ATCC 6538P and Escherichia coli ATCC 8739 under given test conditions for the test samples, calculated with the control material (glass slide). The reduction value in bacterial activity was more than 99% for each strain. Individual results may vary depending on individual use. Each test results are not proven results in actual usage environments.
