The two items must be from the same category as marked on the Offer e.g. buy one “main course” and get one “main course” free; or buy one “sushi set lunch” and get one “sushi set lunch” free.

The Hotel Offer is valid for one complimentary night when one night of equal or greater value is purchased at "Best Available Rates" (See Section 4 "HOTEL TERMS" below).

The Hotel Offer is based on a one time use for a minimum two nights consecutive stay.

The Hotel Offer applies to the room only rate, excluding breakfast (unless otherwise specified on the Hotel Offer).

For selected hotels and only if specified on the Hotel Offer, a 20% off the Best Available Rates will apply for additional nights after using the "One Complimentary Night" Hotel Offer. However, the 20% discount Hotel Offer will not apply to the nights booked using the "One Complimentary Night" Hotel Offer.

The Galaxy ENTERTAINER will not accept any responsibility for each hotel's management policies.

4. HOTEL TERMS

What is the "Best Available Rate"?

The Hotel Offers are based on a discount off the Best Available Rate at each hotel. The "Best Available Rate" is the fully flexible "non-restricted" room only rate of the day quoted directly by the hotel reservations to the public and is generally published on the hotel's website. It may also be referred to as the "Best Flexible Rate" or "Rack Rate". The Best Available Rate varies from the hotel's other promotional rates including weekend package rates, advance purchase rates, all inclusive package rates and summer/Ramadan rates.

What is "Subject to Availability"?

The Hotel Offers are "Subject to Availability" of rooms at the discounted rate allocated to this promotion at the time of booking at each hotel. When this allocation of rooms is filled, the Hotel Offer may then no longer be available to Galaxy ENTERTAINER members, even if the hotel still has rooms available to be sold at full rate. Please check availability of the Hotel Offer with hotel reservations at the time of booking.

Public Holidays / Seasonal Restrictions

The Hotel Offers may not be available during public holiday periods including Eid holidays in GCC destinations. Some hotels may also have minimum night stay requirement for all bookings, or specific block-out dates during special event or peak seasonal periods. This requirement may also apply to the Hotel Offers. Please check with the hotel prior to making a booking.

Are both offers valid at the same time?

For selected hotels and only if specified on the Hotel Offer, you may use the "One Complimentary Night" offer for the first two nights of your booking and the 20% discount Hotel Offer may be used for any additional nights when you extend your stay, subject to availability.
