

WORLD'S FIRST 360 BLADELESS CASSETTE

Functional Meets Design

It comes with a standard round white panel, with an option of square white panel or round black panel to meet your interior design needs.

Circular LED Display Window

The Circular LED display indicates the direction of airflow of the 3 Zone which can be independently controlled. This innovation is made possible by Samsung patented Booster Fan Technology.

Bladeless Design (Cold Draft Free)

Samsung's patented Booster Fan Technology and the innovative 360 bladeless design enables even distribution of cool air. This unique feature solves the cold draft and hot spot problems found in other conventional models.

Optional Kits

Wi-Fi Kit - allows you to remotely control and monitor your air conditioning system anytime, anywhere subject to internet connectivity.
Virus Doctor Kit - reduces up to 99% harmful bacteria and viruses, keeping you healthy.

²This is based on Samsung's internal test results and individual results may vary.
