***TERMS & CONDITIONS:**
Promotion is only valid for selected Samsung products as specified herein during 2 - 5 November 2017 at Consumer Electronics Fair (CEF) 2017 and is subject to availability. Free gift(s) may only be redeemed by collection at the Redemption Centre during 10 November - 15 December 2017 (Redemption Period), upon presentation of valid Redemption Documents. If the person redeeming the gift is different from the Customer as named in the invoice, an authorisation letter duly signed by the Customer must also be provided. Products purchased during current promotion are not eligible for exchange and/or refund, save in accordance with warranty terms and subject to deduction of value of gifts. Gifts are while stocks last during Redemption Period. No extension of Redemption Period will be allowed. Samsung reserves the right to replace any gift with an item of a similar or other value. Gifts are not exchangeable for cash or kind. Promotion is valid only for purchase made from participating authorised Samsung dealers. Each Customer can make a maximum of 3 product redemptions. Promotion is applicable to end-consumers and corporate customers only, and not valid with other discounts or promotions. Samsung will not be liable for and will not replace any lost, damaged or stolen redemption gifts. Samsung reserves the right to reject any redemption if Samsung suspects any Redemption Documents to be fraudulent in any way, or otherwise if Samsung believes in its sole discretion that the redemption is not in accordance with these terms and conditions. Samsung reserves the right to amend these terms and conditions without prior notice. Information is accurate at time of print. Images are for illustration purposes only.

Quantum dot technology for a wider range of more realistic colours

Supports up to 125% sRGB colour space for more vivid and natural colours. Your content comes alive on the screen, be it gaming to web browsing or document work.

SAMSUNG QLED MONITOR — BETTER CHOICE FOR COLOUR ACCURACY

With its unique combination of wider colour range and greater brightness, Samsung's Quantum Dot technology delivers more lifelike and clearer images than conventional monitor technologies. For business users who demand high colour quality, home users who want to enjoy games, movies, and photos in their true colours, and anyone who needs to be sure the colours they see online exactly match the real thing, Samsung QLED Monitors provide the ultimate solution.
