TV & Soundbar Terms and Conditions:
∞Promotion is only valid for selected Samsung products as specified herein and is subject to availability. Promotion is valid only for purchase made at COMEX Show 2019, and is not valid with other discounts or promotions. Check at COMEX Show 2019 from 5 to 8 September 2019 for stock availability and other details. Redemption details will be provided at point of purchase. Free gifts may only be redeemed by collection at Redemption Centre as stated at the point of purchase, upon presentation of valid Redemption Documents. Products purchased during current promotion are not eligible for exchange and/or refund, save in accordance with warranty terms. Gifts are while stocks last during Redemption Period. No extension of Redemption Period will be allowed. Payment must be made in full or hire purchase approved before redemption is allowed. Samsung reserves the right to replace any gift with an item of a similar or other value. Gifts are not exchangeable for cash or kind. Samsung will not be liable for any lost, damaged or stolen Redemption Form(s) and gift(s). Promotion is applicable to end-consumers only, not trade, corporate, or bulk purchase. Each customer can redeem the gifts for a maximum of 5 product purchases. Samsung reserves the right to reject any Redemption Form that is not submitted with the Redemption Documents or in accordance with these terms. Samsung reserves the right to amend these terms and conditions without prior notice. For more information, check with promoters at booth 8218.
1 QLED TVs have received verification from world-class testing and certification association, Verband Deutscher Elektrotechniker (VDE), for its ability to produce 100% colour volume. 100% colour volume measured to DCI-P3 Standard. 2 The range of Quantum HDR claims luminance based on internal testing standards and is subject to change according to viewing environment or specific conditions. 3 Direct Full Array numerical index is an internal standard based on backlighting, anti-reflection and contrast enhancement technologies. 4 Bixby service availability requires Samsung Account login and data connection. Available functions and features may vary by country, region, and certain accents/dialects. 5 The 'One Invisible Connection' refers to a single, transparent optical cable connected to the One Connect Box including the TV power integrating external device cables, but it does not refer to cables connected to other devices such as a soundbar. 6 Subject to device compatibility. Devices must be connected to One Connect Box via HDMI cable. 7 Subject to device compatibility. Design of One Master Remote Control may vary by models. 8 Measured from rear end of the TV, the gap may differ based on the installation and wall type. No Gap Wall-mount sold separately. 9 The Magic Screen background setting feature may vary depending on the environment where the TV is installed including, but not limited to, wall designs, patterns, and/or colours. 10 The peak brightness may vary depending on the model and size of the TV. The HDR 10+ certification may vary by model and is only available for HDR 10+ content. Information is accurate at time of print. Images are for illustration purposes only.
