Live smarter, connect better

with Samsung smart home appliances.
Powered by SmartThings¹ & Bixby

Need to cool down the house before the dinner party later.
"Hi Bixby, turn on the air conditioner."
Makes creating a cool environment a breeze.

Got to get dinner ready but the place is still a mess.
"Hi Bixby, start Auto Cleaning."
POWERbot starts its cleaning round.

Wonder if I should drop by the supermarket on the way home.
"Hi Bixby, show me what's inside the fridge."
See what's inside the Family Hub™ from anywhere.

Better get the laundry done while the sun's still out.
"Hi Bixby, start the washing machine."
Get clean and fresh laundry efficiently.

¹ Compatible with phones with Android 6.0 and higher or iOS 10.0 and higher. Internet connection is required.

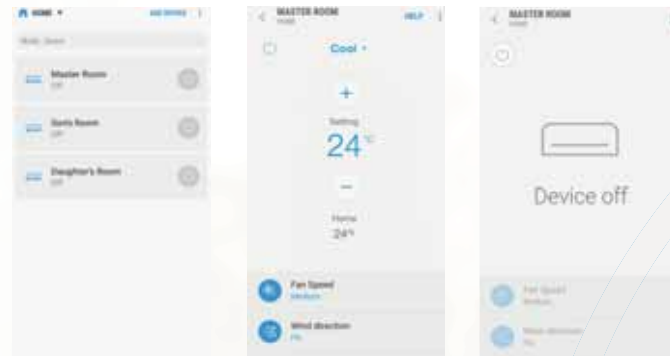

The smart way to stay cool

Built-in Smart Wi-Fi® Features¹

Remote Operations & Monitoring

Samsung's Built-in Smart Wi-Fi® air conditioners allow you to remotely operate and monitor the system anytime, anywhere with the SmartThings app right from your phone.

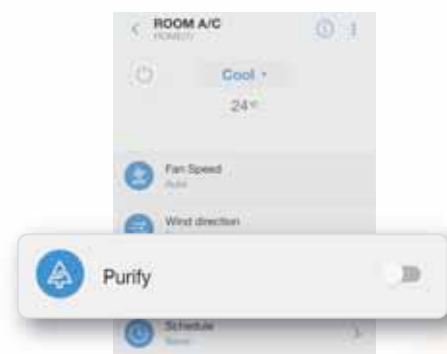

Samsung SmartThings Functions

- Operation Mode : On/Off, Auto, Cool, Dry, Fan
- Temperature Setting : Room Temp. Monitoring
- Fan Speed : Auto, Low, Medium, High, Turbo
- Wind Direction : Fix, Vertical Swing
- Scheduling : Up to 10 Schedules per Indoor Unit (Weekly)
- Options : 2-steps Cooling, Comfort Cooling, Good Sleep, Fast Cooling, Quiet Mode, Auto Clean, Filter Cleaning Reminder, Energy Monitoring, Self Check

Virus Doctor

Simply activate the Virus Doctor feature that neutralises harmful contaminants in the air, right from your phone, and come home to clean and healthy fresh air.

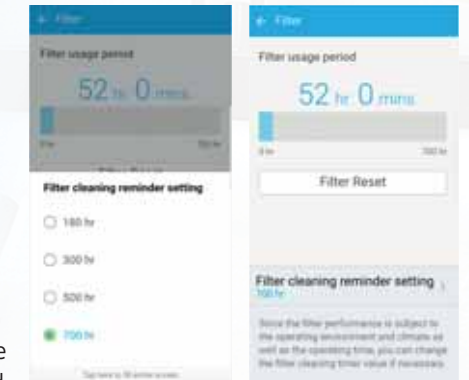

Filter Monitoring

Keep the performance of your air conditioning system optimised and improve its electricity efficiency with a regularly cleaned filter. Set reminders to clean your air conditioner's filter based on how light or heavy your usage is, with a choice of 180, 300, 500 or 700 hours of operation before you get notified.

For example, your bedroom's air conditioning system operates an average of 8 hours per day. This translates to slightly over 700 hours over 3 months of operation. Therefore, general home users will select the 700 hours option to remind themselves for their filter maintenance.

This Filter Monitoring feature will also benefit you by helping you save on unnecessary maintenance cost for indoor units that are not frequently used.

Self Check²

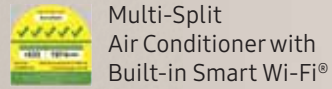

Check for possible issues with your air conditioner when it is not operating properly. Once Self Check is activated, the air conditioner will perform a self-diagnosis on the system itself.

An error code for the problem (only for air conditioning system related issues) will be displayed on the screen. It alerts you on the possible cause of the problem and assists you in getting more effective help from Samsung After Sales Personnel or other service contractors. This minimises your air conditioner's downtime and helps you avoid any unnecessary troubleshooting cost.

¹Compatible with phones with Android 6.0 and higher or iOS 10.0 and higher. Internet connection is required.
²This function only operates for certain error modes and is not a substitute for periodic checkups.

AIR CONDITIONER:

Multi-Split Air Conditioner with Built-in Smart Wi-Fi®

WxDxH: 896x261x261mm

Excellent Energy Efficiency¹

Provides powerful cooling performance with lowest energy consumption.

Virus Doctor & Easy Clean 3-Care Filter

Virus Doctor neutralises up to 99% harmful contaminants² in the air, thus providing clean and healthy cool air. Anti-bacteria, anti-virus and anti-allergy coated filters helps trap microscopic dust particles and virus as well as reduces allergens in the air.

Quietest 19dB³

Whisper quiet sound level providing user with a cooling and quiet environment.

Low Height 261mm⁴

Compact Triangular Architecture design allows for easy installation of both new or replacement units. Easy replacement by using back existing refrigerant pipes⁵.

Premium After Sales Care

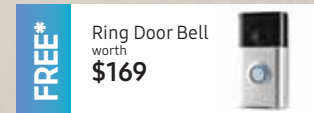

Same Day Service⁶ for 5 Ticks Multi-Split with Built-in Smart Wi-Fi® System.

*Terms & Conditions:

Promotion is only valid for customers who purchase selected Samsung products as specified herein during the Promotion Period, and is subject to stock availability. Promotion is not valid with other discounts or promotions. Check in-store for more details. Free gift(s) may only be redeemed by collection at Redemption Centre during Redemption Period, upon presentation of valid Redemption Documents. No extension of Redemption Period will be allowed. Gift(s) are while stocks last. Payment must be made in full or hire purchase approved before redemption is allowed. Samsung reserves the right to replace any gift with an item of a similar or other value. Gift(s) are not exchangeable for cash or kind. Samsung will not be liable for any lost, damaged or stolen Redemption Form(s) and gift(s). Promotion is applicable to end-consumers only; not trade, corporate, or bulk purchase. Each customer can redeem gifts for a maximum of 3 product purchases. Samsung reserves the right to reject any Redemption Form that is not submitted with the Redemption Documents or in accordance with these terms. Products purchased under promotion are not eligible for exchange and/or refund, save in accordance with warranty terms. Samsung reserves the right to amend these terms and conditions without prior notice.
