Promotion Period:
07 June - 12 August 2019

Redemption Period:
10 June - 30 September 2019

*Terms and Conditions: Promotion is only valid for customers who purchase selected Samsung products as specified herein during the promotion period, and is subject to stock availability. Promotion is not valid with other discounts or promotions. Free gift(s) may only be redeemed by collection at redemption centre during redemption period, upon presentation of valid redemption documents. No extension of redemption period will be allowed. Gift(s) are while stocks last. Payment must be made in full or hire purchase approved before redemption is allowed. Samsung reserves the right to replace any gift with an item of a similar or other value. Gift(s) are not exchangeable for cash or kind. Samsung will not liable for any lost, damaged or stolen redemption form(s) and gift(s). Promotion is applicable to end-consumers only; not trade, corporate, or bulk purchase. Each customer can redeem gifts for a maximum of 3 product purchases. Samsung reserves the right to reject any redemption form that is not submitted with the redemption documents or in accordance with these terms. Products purchased under promotion are not eligible for exchange and/or refund, save in accordance with warranty terms. Samsung reserves the right to amend these terms and conditions without prior notice. Information is accurate at time of print.

*Samsung TV Concierge Service is only valid for customers who purchase any QLED 8K between 07 June - 12 August 2019. Delivery, set-up and installation services are subject to slot availability. All wall-mount installation requests are subject to on-site inspection and determination of the suitability of the wall for mounting. Notwithstanding installer's inspection of the wall, cracks may appear on certain wall types after wall-mounting, and neither Samsung nor the installer will be liable for any cracks on wall after wall-mounting. For wall-mount installation, one set of Wall-Bracket will be provided.

¹Viewing experience may vary according to types of content and format. [^]AI Upscaling[^] may not apply to PC connection, and certain conditions of Game Mode. ²QLED TVs have received verification from world-class testing and certification association, Verband Deutscher Elektrotechniker (VDE), for its ability to produce 100% colour volume. 100% colour volume measured to DCI-P3 Standard. ³The range of Quantum HDR claims luminance based on internal testing standards and is subject to change according to viewing environment or specific conditions. ⁴Direct Full Array numerical index is an internal standard based on backlighting, anti-reflection and contrast enhancement technologies. ⁵Bixby service availability requires Samsung Account login and data connection. Available functions and features may vary by country, region, and language. Bixby is limited to selected languages and certain accents/dialects. Not all accents, dialects, and expressions are recognised, and actual performance may vary depending on pronunciation, voice level, and the surrounding environment.

⁴The 'One Invisible Connection' refers to a single, transparent optical cable connected to the One Connect Box including the TV power integrating external device cables, but it does not refer to cables connected to other devices such as a soundbar. ⁵Subject to device compatibility. Devices must be connected to One Connect Box via HDMI cable. ⁶Subject to device compatibility. Design of One Master Remote Control may vary by models ⁷Measured from rear end of the TV, the gap may differ based on the installation and wall type. No Gap Wall-mount sold separately. ¹⁰The Magic Screen background setting feature may vary depending on the environment where the TV is installed including, but not limited to, wall designs, patterns, and/or colours. ¹⁰Warranty is limited to burn-in that occurs in 4K QLED TVs under conventional TV viewing conditions and does not cover burn-in that occurs in QLED TVs that are used for business purposes.

¹³For RGBW 4K UHD TVs, only some of the 3840 pixels across the screen are RGB (Red, Green and Blue) - the others are white pixels. RGBW TVs have 25% fewer RGB pixels, which reduces their colour range and resolution capability.
¹³The peak brightness may vary depending on the model and size of the TV. The HDR10+ certification may vary by model and is only available for HDR10+ content.
