

SAMSUNG Galaxy S6 4G+ | S6 edge 4G+

Experience next-level design and performance with the best Galaxy phone yet. The Samsung Galaxy S6 4G+ and Galaxy S6 edge 4G+ exude style and elegance at first glance. Beyond the sleek appearance are two powerful machines that deliver way more.

Next has, indeed, arrived.

Beautiful, Elegant Design. The Galaxy S6 4G+ and Galaxy S6 edge 4G+ are beautifully crafted. An aluminium unibody chassis sandwiched between two Corning® Gorilla® Glass 4 panels. Available in jewel tones – White Pearl, Black Sapphire, Gold Platinum, Blue Topaz¹ and Green Emerald¹.

Stylishly Curved Screen. The dual edge display² is optimally curved to provide comfort in grip. The People Edge feature makes use of the curved display to inform you who's calling, with subtle colour-coded notification lights that you assign to five favourite contacts.

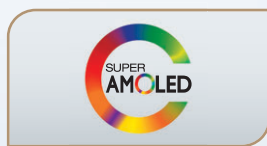

Fast and Bright Camera. Quick Launch Camera feature activates the camera in < 1 second. f1.9 lenses on both the 16MP rear camera and 5MP front camera let you take brighter photos even in low light. Real-time Auto HDR gives amazing shots in high contrast lighting. Optical Image Stabiliser (OIS) reduces photo-shake, while the 120° wide-angle field of view lets one take selfies with greater surrounding details.

Powerful Performance. Backed by 3GB of RAM, both phones use Samsung's own 14nm Exynos 7 octa-core processor, running on superior 64-bit architecture that maximises performance, yet consumes less power.

Super Charging. A quick, 10-minute wired charge powers up to 4 hours³ of continued, regular use. Otherwise, opt for absolute convenience with the Samsung Wireless Charging Pad⁴.

Superior Display. With high pixel density of 577ppi, the 5.1-inch Quad HD SUPER AMOLED display (2560 x 1440 pixels) offers vivid colours and brightness for a truly immersive viewing experience.

Your personalised digital passport into a world of privileges, where new rewards across entertainment, dining and fashion are added weekly.

Clear View Cover
Keep tabs on your incoming calls, notifications and alerts with the semi-transparent protective cover.

Wireless Charging Pad
Charge with convenience on the simple yet elegant Wireless Charging Pad, available in white or black.

Available at M1, Singtel, Starhub, Samsung Experience Stores, consumer electronics stores and all authorised retailers.

¹ Blue Topaz is only available for Galaxy S6 4G+ while Green Emerald is only available for Galaxy S6 edge 4G+. Available in Q2 2015.

² For Galaxy S6 edge 4G+ only. ³ Based on Samsung's internal test results, and on Samsung's usage standards for regular everyday use, measured when device is at rest with Samsung battery and adaptive fast charger. Estimated charging time and usage time are dependent on network configuration, app usage, mode settings, actual device usage, battery condition and other surrounding factors and conditions. ⁴ To be purchased separately.
