The image shows a vertical energy label for a Samsung refrigerator. At the top left is the Ukrainian national flag. To its right is the logo 'ЕНЕРГО' in large blue letters with 'ефективність' in smaller white letters below it. Below the logo is the model number 'SAMSUNG RB34C670EWW'. A central energy efficiency scale consists of seven horizontal bars of increasing length, colored from green (A+++ at the top) to red (D at the bottom). A black arrow points to the 'A+' level. Below the scale, the text 'ЕНЕРГО СПОЖИВАННЯ' is positioned to the left of a large white box containing the number '300' and the unit 'кВт·г/ рік'. At the bottom, three rounded square icons are arranged horizontally: a 1L milk carton icon with '228 л' below it, a snowflake icon with a '***' starburst and '112 л' below it, and a speaker icon with '37 дБ' below it.
