The image shows a vertical energy label for a Samsung refrigerator. At the top left is the Ukrainian national flag. To its right is the logo 'ЕНЕРГО' in large white letters on a blue background, with the word 'ефективність' (effectiveness) in smaller white letters below it. Below the logo, the brand name 'SAMSUNG' and model number 'RB38C603ES9' are printed in bold black text. A central energy efficiency scale consists of seven horizontal bars of increasing length, colored from green at the top to red at the bottom, labeled A+++ through D. A black arrow points to the A+ level. Below the scale, the text 'ЕНЕРГО СПОЖИВАННЯ' is printed. To the right of this text, the number '320' is displayed in a large font, with 'кВт·г/ рік' below it. At the bottom, three icons are shown in rounded boxes: a 1L milk carton with '273 л' below it, a snowflake with '112 л' below it, and a speaker icon with '37 дБ' below it.
