The image shows a standard European energy label for a Samsung refrigerator. At the top left is the Ukrainian national flag. To its right is the logo 'ЕНЕРГО' in large blue letters, with 'е ф е к т и в н і с т ь' in smaller white letters below it. Below the logo, the model number 'SAMSUNG RB38T600FEL' is printed in bold black text. The central part of the label features a scale of energy efficiency classes from A+++ (green) to D (red), with a black arrow pointing to the A+ class. Below this scale, the text 'ЕНЕРГО СПОЖИВАННЯ' is written in small letters, followed by a large white box containing the number '320' and the unit 'кВт·г/ рік'. At the bottom, three icons are shown: a 1L milk carton with '273 л' below it, a snowflake with '112 л' below it, and a speaker with '37 дБ' below it.
