

Size: 110*220 mm
Total size (Included QR code): 110*230 mm
Material : ART + UV coating

라벨 원지

The image shows a vertical energy label for a Samsung refrigerator. At the top left is the Ukrainian national flag. To its right is the logo 'ЕНЕРГО' in large blue letters with 'ефективність' in smaller white letters below it. Below the logo, the brand 'SAMSUNG' and model 'RB38T679FEL' are printed in bold black text. A central energy efficiency scale consists of seven horizontal bars of increasing length, colored from green (A+++ at the top) to red (D at the bottom). A black arrow points to the 'A+' level. Below the scale, the text 'ЕНЕРГО СПОЖИВАННЯ' is printed. To the right of this text, a large white box contains the number '320' and the unit 'кВт·г/ рік'. At the bottom, three rounded square icons are arranged horizontally: a milk carton labeled '1L' with '273 л' below it; a snowflake with a frost-free symbol and '112 л' below it; and a speaker icon with '37 дБ' below it.
